Counseling John F. MacArthur, Wayne A. Mack, Master's College Faculty, 2017-03-07 Gain a knowledge of counseling methods that are practical and consistent with Christian theological convictions What do the Scriptures say about counseling What is the biblical basis for using Scriptures in counseling What does it mean to think biblically about counseling related issues At the root of this book is the confidence that Christ and his Word are not only sufficient for effectively handling the personal and interpersonal challenges of life but are superior to the resources found in the world The practice of psychological counseling is a ministry and should not belong only to the realm of humanistic and secular theories of the mind Written to pastors elders deacons seminary students and laypeople well known pastor John MacArthur and contributors present a system of biblical truth that brings together people their problems and the living God This kind of counseling is based on the convictions that God's Word should be our counseling authority Counseling is a part of the basic discipling ministry of the local church God's people can and should be trained to counsel effectively Counseling How to Counsel Biblically provides biblical guidelines to counsel people who are struggling The contributors represent some of America's leading biblical teachers and counselors including Ken L Sarles David Powlison Douglas Bookman David B Maddox Robert Smith William W Goode and Dennis M Swanson

Scripture and Counseling Bob Kelleman, 2014-10-07 What role does Scripture play in counseling Today we face a weakening of confidence in the Bible This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend We need to regain our confidence in God's living Word as sufficient to address the real life issues we face today Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life Divided into two sections Part One develops a robust biblical view of Scripture's sufficiency for life and godliness leading to increased confidence in God's Word Part Two teaches how to use Scripture in the counseling process This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God's Word to others Part of the Biblical Counseling Coalition series Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God's Word is sufficient necessary and relevant to equip God's people to address the complex issues of life in a broken world It blends theological wisdom with practical expertise and is accessible to pastors church leaders counseling practitioners and students equipping them to minister the truth and power of God's word in the context of biblical counseling soul care spiritual direction pastoral care and small group facilitation
