Rottman, 2018-07-26 The United States Marine Corps came into its own in the Pacific Islands campaign against Japan in World War II From Guadalcanal to Okinawa US Marines formed the tip of the spear as Allied forces sought to push the Japanese back to their Home Islands This fascinating study tracks the deployments of the various Marine divisions throughout the war and explains their composition but also goes deeper to detail the individual regiments the focus of the marines identity and pride It explains the organization of the Marine infantry regiment and its equipment and how they evolved during the war The marine infantryman s evolving uniforms field equipment and weapons are illustrated throughout using specially commissioned artwork and detailed descriptions to produce a fitting portrait of the US military s elite fighting force in the Pacific **US Marine Corps 1941-45** Gordon L. Rottman, 2012-09-20 While the US Marine Corps was one of the smallest of American armed services in World War II its contribution to the final victory cannot be overstated The US Marine Corps may have only comprised 5 percent of America s armed forces but it suffered 10 percent of all World War II combat casualties Above all the amphibious nature of the war in the Pacific imposed on the Marine Corps greater tasks than any it had ever before been called upon to perform This title details the organization weapons and equipment of the US Marines of World War II *US Marine Rifleman 1939-45* Gordon L. Rottman, 2012-09-20 The Marine Corps began World War II with less than 66 000 officers and men Yet despite suffering 10 per cent of the overall American casualties the Marines were able to build on their proud traditions and history to transform a small branch of service into a premier

combined arms amphibious assault force Regardless of its expansion by 750 percent the Corps was able to maintain its sense of tradition instill that into thousands of new Marines and create an elite arm of service In this book Gordon Rottman follows a Marine Corps rifleman through his draft training and participation in assaults such as Roi Namur in the Marshall Islands Saipan and Tinian in the Mariana Islands and Iwo Jima **US Marine Corps Tank Crewman 1941-45** Kenneth W Estes,2012-06-20 The ferocity of the Pacific war almost defied the available military technology In this environment the evolving use of tanks by the US Marine Corps played a significant role at the end of the Battle of Okinawa Major General Lemuel Shepherd wrote in his report that if any one supporting arm can be singled out as having contributed more than any others during the progress of the campaign the tank would certainly be selected This book traces the history of the US Marine Corps tank crewman including the significant changes in doctrine equipment and organization that the war brought and his experience fighting in the Pacific theater The Marine Corps Tanks Collection Oscar E. **Tanks in Hell** Oscar E. Gilbert, 2015-08-04 An extraordinary slice of untold WWII history how unproven Marines driving untested Sherman tanks turned the tide against Japan in the Battle of Tarawa In May 1943 a self-described really young green ignorant lieutenant assumed command of a new US Marine Corps company His even younger Marines were learning to operate an untested weapon the M4A2 Sherman medium tank Just six months later the company would be thrown into one of the ghastliest battles of World War II On November 20 1943 the 2nd Marine Division launched the first amphibious assault of the Pacific War directly into the powerful Japanese defenses on the atoll of Tarawa In that blood-soaked invasion a single company of Sherman tanks of which only two survived played a pivotal role in achieving a legendary victory In this fascinating study Oscar E. Gilbert and Romain V. Cansiere use official documents memoirs and interviews with veterans as well as personal and aerial photographs to follow Charlie Company from its formation Tracing the movement action and fall of individual tanks *Tanks in Hell* offers a personal beach-level view of the Marine island campaign
