

The background of the book cover features a stylized, high-contrast illustration. A hand, rendered in a light, almost white color, emerges from the upper left, holding a pair of scales of justice. The scales are positioned in the center-right of the frame. The background is a gradient of warm colors, transitioning from a deep red at the bottom to a bright yellow at the top, with soft, ethereal light rays emanating from the upper right corner.

Walker & Walker's English Legal System Richard Ward (LL.B.),2008 Walker & Walker's English Legal System Ronald Jack Walker,2011 *Walker and Walker's English Legal System* Ronald Jack Walker,1994 Walker & Walker's English Legal System Ronald Jack Walker,Richard Ward (LL.B.),1994-01-01 This work has for many years been the standard text on the English legal system It is renowned for its comprehensive coverage and readable style and the long awaited seventh edition maintains that reputation It has been extensively revised to cover recent developments in case and statute law and includes new chapters on the European Community and the police Walker and Walker s English Legal System remains an essential tool for all students preparing for law degree examinations BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Walker and Walker's English Legal System* R. J. Walker,1998-07 Intended for students preparing for degree Bar and Law Society examinations this volume serves as a reference to most aspects of the English legal system **Bowker's Law Books and Serials in Print** ,1986 **Australian national bibliography** ,1961 Whitaker's Cumulative Book List ,1985 Tort Law and Economic Interests Peter Cane,1996 This book is about the way in which the law of torts protects financial assets such as money property and contracts It focuses on the interests protected and does not follow the usual textbook arrangement of the law according to the various torts such as trespass negligence and defamation The discussion goes well beyond the debate about about recovery for economic loss in negligence as it places that debate in a much wider context The introduction explains the notion of economic interests and why this has been chosen as the focus of attention The second part gives an account of the relevant rules of tort law while the third part examines the relationship between tort law and other techniques for protecting economic interests such as regulation and insurance The final part discusses the aims and functions of tort law Many of the issues discussed receive very little attention in most tort texts *The British National Bibliography* Arthur James Wells,1992
