Traxxas Warranty Coverage Electronic Components

Traxxas electronic components are warranted to be free from defects in materials and workmanship for a period of thirty (30) days from the date of purchase. Electronic components consist of the radio system (transmitter, receiver, servos, switches, AC chargers, adapters, and receiver battery holders), and any other Traxxas electronic component. See the additional limitations that apply.

Chassis and Driveline

The chassis and driveline consist of all remaining parts of the model that are not considered electronic. This includes electric motor.

Your new model is considered to be a hobby-class model. We have made every effort in component design, material selection, and assembly to make our products as durable as possible. Because our products are high-performance hobby-class models that operate at a much higher level of performance than a "toy," require periodic maintenance, and are intended to be used in high performance applications over an extremely wide range of running conditions and situations, no warranties are expressed or implied that cover damage caused by normal use or wear, or cover or imply how long any chassis or motor part will last before requiring replacement due to wear. Parts will wear from use and occasionally require replacement. The chassis and driveline are only covered against manufacturer's defects in materials, workmanship, or assembly when they are new (before being used).

If any component is found to be defective, incorrectly made, or incorrectly assembled within the warranty coverage time period (where applicable), it will be repaired or replaced at Traxxas' sole discretion. This will be done within a reasonable time period and free of charge. If you believe a defect in materials, workmanship, or assembly was not apparent when the product was new and

only became evident after the product was used, then please call us at 1-888-TRAXXAS. We stand behind our products, our reputation, and pledge to do our best to make sure you are satisfied with your Traxxas product.

Limitations

Any and all warranty coverage does not cover replacement of parts and components damaged by abuse, neglect, improper or unreasonable use, crash damage, water or excessive moisture, chemical damage, improper or infrequent maintenance, accident, unauthorized alteration or modification, or being that are considered consumable. Traxxas will not pay for the cost of shipping or transportation of a defective component to us. On models that include a charger, this warranty is limited to the charger only and does not cover batteries, vehicles, and other accessories used in conjunction with the charger.

Your Hobby Dealer's Role

All warranty claims are handled directly by Traxxas. Your dealer can assist you in contacting Traxxas, and determining which components might be defective, but he is under no obligation to provide free replacement parts or service. Traxxas does not authorize dealers to make over-the-counter exchanges or refunds for Traxxas products that have been used. Traxxas will make the sole and final determination if a product or component can be covered under warranty.

Limitations of Liability

Traxxas makes no other warranties expressed or implied. Traxxas shall not be liable for any special, indirect, incidental, or consequential damages arising out of the assembly, installation, or use of their products or any accessory or chemical required to use their products. By the act of operating/using the product, the user accepts all resulting liability. In no case shall Traxxas liability exceed the actual purchase price paid for the product. Traxxas reserves the right to modify warranty provisions without notice. All warranty claims will be handled directly by Traxxas. The Traxxas warranty gives the customer specific legal rights and possibly other rights that vary from state to state. All dollar amounts stated are in United States dollars. The term "lifetime" shall refer to the product's production life at Traxxas. Traxxas is not obligated to provide upgraded products at a reduced rate when a previous product's production cycle has ended.

Traxxas encourages you to register your model online at Traxxas.com/register.

Non-Warranty Service

Traxxas offers an extended electronics warranty plan. It requires no payment up front. You only pay when you need the service.

Traxxas Lifetime Electronics Warranty

After the expiration date of the warranty period, Traxxas will repair electronic components for a flat rate. Traxxas will repair electronic components for a flat rate. The electronic products covered by this extended service plan include electronic speed controls, transmitters, receivers, servos, and battery chargers. Motors and mechanical speed controls are not covered. Other mechanical repairs will be estimated separately. The covered repairs are limited to non-mechanical components that have NOT been subjected to abuse, misuse, or neglect. Products damaged by intentional abuse, misuse, or neglect may be subject to additional charges.
