What The Bible Teaches About The Promised Messiah:

Smith, 1993-09-01 Never before have Old Testament prophecies concerning the Messiah been examined in such an easy to understand format Smith gives full attention to all of the 73 key Messianic prophecies which are presented in chronological order What the Bible Teaches about Spiritual Warfare Robert Dean, Thomas Ice, An up to date and thoroughly biblical analysis of the truths and popular fallacies of the role of Satan demons and their powers in the lives of Christians today *The Messianic Hope* Michael Rydelnik, 2010 An academic study that suggests the Old Testament was written to be read as a work that reveals direct messianic prophecies

Recovering the Unity of the Bible Walter C. Kaiser, Jr., 2009-10-20 Recovering the Unity of the Bible helps readers grasp the Bible's progressive witness on various theological concepts Walter C Kaiser challenges the common scholarly posture that sees mostly diversity throughout the biblical canon pointing instead to the way several Biblical themes substantially support the case for unity including Messianic Promises The People of God The Law of God The Doctrine of Salvation The Mission of the Old Testament Recovering the Unity of the Bible exhibits sound techniques for students pastors and Bible teachers who seek to make sense of the Bible's many and different texts A Primer on Messianic Prophecy Cynthia C. Polsley, 2023-10-13 An introduction and survey that digs into the Bible's picture of the Messiah's entire career from Genesis to Revelation A Primer on Messianic Prophecy is for anyone interested in learning more about Messianic prophecy its support for Jesus' identity as the Christ and its meaning for our present and future Exploring the Messiah's First and Second Comings as they are described throughout the Bible and with attention to archaeology biblical feasts and the Jewish wedding system history and current events this Scriptural synopsis examines Messianic prophecies that span all of time Some are fulfilled yet many are to come Covering topics from the beginning of creation to the last days and beyond A Primer on Messianic Prophecy is a foundational and inspirational text for readers wanting a better understanding of the Bible's intricate inerrancy and picture of the key figure throughout Scripture Jesus Christ Lamb of God and Lion of Judah

Making Sense of the Bible H. H. Drake Williams III, 2014-02-01 Most people probably have a copy of the Bible in their homes some hold one in their hands each week at church and perhaps even attend a Bible study but not everyone sees or appreciates the great beauty and intricate composition of the Bible writes author Drake Williams The Bible as a great work of art deserves to be considered in unity Combining first rate scholarship with easy to understand language Making Sense of the Bible examines the Bible as a literary work of art and reveals ten key threads that form the thematic tapestry spanning Old and New Testaments With this book the Bible will no longer be a jumble of unrelated books promises and exhortations but a collective cohesive and more meaningful masterpiece to any reader who wishes to explore its full breadth and depth

 James 1 Peter 2 Peter Jude 1 3 John Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series
 continues to be one of today's top selling commentary series. These commentaries from respected Bible scholar and preacher
 John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the
 biblical text in practical and relevant ways. **The Facts on Why You Can Believe the Bible** John Ankerberg, John
 Weldon, 2011-07-04 The Bible is certainly the bestselling book of all time. But it is so much more than just a well loved
 collection of history, prophecy, parable and poetry. If we believe the Bible is the very Word of God, isn't it imperative to know
 that what we read is reliable and can be trusted? This book answers questions about the uniqueness and inerrancy of the
 Christian Scriptures from history, archaeology, science and logic as they examine the accuracy of the biblical text, expose
 current critical fallacies, show how fulfilled prophecy is the irrefutable result of divine inspiration. Discover why you can
 believe the Bible is still God's message of love and hope for today. **A Zeal for God Not According to Knowledge** Eric
 Snow, 2005-03 Are the Jewish arguments against belief in Jesus as mankind's Savior any good? Is Jesus Christ the promised
 Messiah of the Old Testament's prophecies? Is Christianity derived from ancient Roman or Greek pagan mystery religions? Is
 the New Testament historically reliable? Was Jesus of Nazareth God according to the New Testament? Did Gnosticism
 influence Christianity? Since some 185,000 Americans have converted to Judaism according to a 1990 survey, the arguments
 of such groups as Jews for Judaism against Christianity can't be dismissed lightly. Using solid scholarship and rigorous logic, **A
 Zeal For God Not According to Knowledge** defends Christianity against the arguments of its Jewish critics such as Samuel
 Levine, Michael Drazin, Tovia Singer and Hyam Maccoby. This book demonstrates that the New Testament is historically
 reliable, denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices, shows that Jesus of
 Nazareth was the promised Messiah based on the Old Testament's prophecies and proves that the New Testament teaches
 the Deity of Christ. This book is intended for both Christians perplexed by the arguments of Jewish friends, coworkers and
 relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about
 whether Jesus is their Messiah also. **The Bible Expositor's Handbook, NT Edition** Greg Harris, 2018-02-01 The Bible
 Expositor's Handbook New Testament picks up where the Old Testament edition ended. Rather than jumping into Matthew
 where our New Testament begins, Harris instead looks to Luke 24 where Jesus taught through every book of the Old
 Testament showing truths that were either already fulfilled by him or would be in the future.
