What Was Lost A Christian Journey Through Miscarriage:

What Was Lost Elise Erikson Barrett,2010-09-02 United Methodist pastor Elise Erikson Barrett draws on her own painful experiences as well as on interviews with others who have gone through the devastation of miscarriage in an effort to help women grieve and in time to think theologically about pregnancy loss Barrett also offers some much needed practical advice about breaking the news to others coping with insensitive comments and grieving what is often a private loss unmarked by the world *The Quick-Reference Guide to Counseling Women* Dr. Tim Clinton,Timothy E. Clinton,Dr. Diane Langberg,2011-09 Internationally recognized AACC President and leading women s counseling expert offer a practical comprehensive and biblical guide to counseling women **Reproductive Justice and the Catholic Church** Emily Reimer-Barry,2024-06-10 Pregnancy loss is profoundly complex ambiguous and alienating but telling women who have procured abortions that they are murderers and sinners is not the best way forward Magisterial teachings on abortion are too often presented as moral absolutes when in fact moral absolutism distorts the rich wisdom of the Catholic intellectual tradition This book initiates a new conversation about women s experiences of miscarriage stillbirth and abortion arguing that we need not approach these difficult life experiences in a simplistic way Dr Reimer Barry argues that both the pro life and pro choice movements make important and valuable claims yet each approach on its own is flawed Drawing on the framework of reproductive justice together with Catholic social teaching Dr Reimer Barry suggests a new way forward for abortion discourse that takes seriously the full human dignity of women and the intrinsic though not absolute value of prenatal life She argues that instead of thinking of the Church as a moral teacher with leaders in Rome or Washington DC dictating to the consciences of the faithful a better way to address the complexity of difficult pregnancy discernments would be to think of the Church as a community of support in the midst of and after difficult discernments a community that seeks justice together and implements structural reforms while also providing spiritual care to those in need What women deserve is justice **Birthed** Elizabeth Hagan,2016-12-06 When infertility painfully interrupted Elizabeth Hagan s plan to start a family the path of grace offered her another way Instead of giving birth to a child she birthed herself instead Along the way she learned you can t control how fast your dreams come true if they come true at all but you can find grace for embracing your life in the present tense grief and all Through her new book *Birthed* Elizabeth Hagan offers her story as a companion and guide for living through your own pain and loss For the one in eight couples who face infertility you will know you are not alone and a long season of grief does not have to destroy your marriage or your friendships with childbearing friends For those friends and family members of infertile couples there are no one size fits all answers to a fertility journey medically emotionally or spiritually and the worst thing you can say is nothing at all Adoption is never the complete solution to infertility and through it all pain can never be fixed only lived through So allow grace to help you begin to live today in the present moment **Carrying Them with Us** David M. Engelstad,Catherine A. Malotky,2019-02-01 Carrying Them with Us

Living through Pregnancy and Infant Loss is a reflection on what pastors David Engelstad and Catherine Malotky have learned since the day in 1984 when their eight week old daughter Erin died of Sudden Infant Death Syndrome Drawing on their own loss they offer themselves as companions to parents who struggle to deal with the end of an eagerly anticipated pregnancy or the death of a joyfully welcomed baby Readers will find in Carrying Them with Us comfort and wisdom a spiritual perspective and practical guidance The authors also invite into this journey the caregivers family clergy and medical professionals and friends who accompany grieving parents The book is organized around five questions the authors have found central to many parents unfolding story 1 How can this have happened 2 Why do I feel like this 3 How do I keep going 4 What do I make of life after this And 5 Who am I becoming Engelstad and Malotky show readers a path from devastating sadness toward healing a way for grieving parents to keep going and one day to embrace new life

Calm and Quiet My Soul Alyssa Lynn Bell, 2023-10-19 Self care and soul care are trending topics in Christian leadership circles because ministry leaders know they cannot care for their people unless they care for themselves Pastors who are mothers know this too and yet it can feel like just one more task to manage among the many they carry on their schedules and in their hearts The biblical truth is that spiritual rest is a gift from God not an achievement a refreshing reminder for women who hold the dual roles of mom and minister This book invites women leading in these spaces to remember that the God of the Old and New Testaments the one who pours out replenishment for weary hearts is a God who is Mother as well as Father and mothers them with tenderness and strength Starting here in the arms of a mothering God who whispers beloved changes the tone of spiritual care for her from a chore to an oasis of replenishment that grounds her in her identity in Christ as a daughter of Creator God

Blessed Endurance John R. Wimmer, 2018-01-01 Where is God when we are hurting or in despair How can we find hope even when we feel hopeless Pain struggle and despair are part of life and they test our character as God's people John Wimmer approaches these challenges to our faith realistically and thoughtfully He does not offer easy answers or platitudes like Everything happens for a reason We can't always understand or control many things that happen to us but we can choose how we respond to our circumstances Wimmer encourages us to view times of difficulty as opportunities for spiritual and personal growth Rather than diminishing our faith pain and despair can lead us to greater trust in God To endure through such times is a blessing This inspiring book offers practical help for moving from pain and despair to hope Wimmer reminds

us that with hope we also have faith not the false belief that our lives will be pain free but the assurance that God will be with us through our most challenging times and lead us to deeper levels of spiritual growth and wisdom **Birth (Pastoring for Life: Theological Wisdom for Ministering Well)** James C. Howell, 2020-04-21 This volume explores the connections between our own birth the experience of having children and the new birth of the Christian life Seasoned pastor James Howell offers theological perspectives on a variety of themes associated with birth such as who we are in light of having once lived in utero why people might have children infertility adoption baptism and how to make sense of it all in light of God coming to us first in Mary's womb and then as an infant The book includes paintings photos and drawings About the Series Pastors are called to help people navigate the profound mysteries of being human from birth to death and everything in between This series edited by leading pastoral theologian Jason Byassee provides pastors and pastors in training with rich theological reflection on the various seasons that make up a human life helping them minister with greater wisdom and joy

The Preacher's Wife Kate Bowler, 2020-09-15 Although most evangelical traditions bar women from ordained ministry many women have carved out unofficial positions of power in their husbands spiritual empires or their own ministries The biggest stars write bestselling books grab high ratings on Christian television and even preach Bowler offers a sympathetic and revealing portrait of megachurch women celebrities showing how they must balance the demands of celebrity culture and conservative male dominated faiths And black celebrity preachers wives carry a special burden of respectability A compelling account of women's search for spiritual authority in the age of celebrity adapted from jacket
