in Africa People are named after events happenings great things the days of the week or the order in which they were born
For example if a couple had long wanted a son in Nigeria they may call him Ayinde Yoruba meaning the one we prayed for In
Ghana if a boy is born on Saturday he is called Kwame Akan In Tanzania the second born of twins will be called Doto Zaramo
People have asked me whether names like James Gary or Francis could be translated into African form There is no direct
translation from English names to African but if we go back to the original meaning of an English name we can often find an
African equivalent For example the English Theodore and the Ibo Okechuku both mean God s gift From preface
