My Hope Is Built ...: Christian Perspectives on Decisions at the End of Life F. Walton Avery, 2011-12-02 With medical advances people are living longer than ever before and in many cases with a higher quality of life for much of that time Despite the potential of a long healthy life however many individuals find themselves facing end of life issues they never anticipated And to Christians those decisions may be especially difficult In *My Hope Is Built Christian Perspectives on Decisions at the End of Life* author F Walton Avery examines critical writings about available options for those facing end of life decisions for themselves or for someone they love He looks at Christian responses to vital questions that come at the end of life Avery looks closely at whether the prohibition against suicide or assisted death can be suspended and in the name of Christian faith the suffering individual be permitted to commit suicide or be party to assisted death Regardless of circumstances making end of life decisions are likely to be difficult *My Hope Is Built Christian Perspectives on Decisions at*

the End of Life can help one make those decisions in light of their Christian beliefs *Preparing Students for Life Beyond College* Robert J. Nash, Jennifer J.J. Jang □□□, 2015-03-05 At a time when STEM research and new technologies are dominating the curricula of colleges and universities this important book refocuses the conversation on holistic education for all students Organized around the most important and difficult questions that students face *Preparing Students for Life Beyond College* explores a vision of education that will enable students to talk about universal issues openly and honestly preparing them for life beyond their formal education Featuring a variety of traditional and innovative pedagogies strategies recommendations and case studies this practical resource provides student affairs practitioners and higher education faculty in a variety of disciplines with concrete approaches for developing campuses and classes that encourage critical thinking and reflection This exciting book prepares colleges and universities to help students create meaning in their lives no matter the discipline campus location or delivery system *Answers to Life's Foundational Questions* , 2014-12-15 From page to page the attentive reader will not escape a stir of one's inner essence regarding the fundamental issues of life He opens the lid to life's essentials inviting thorough considerations to the origin of the universe the potential vested in each human life and the bubble of the evolution theory and so called science This discourse is for those searching for answers and inspiration It will call the frivolous soul to attention and demand duty from its bearers It's a wakeup call to the slothful and a harsh reminder to the proud But it's more than that this book identifies with all who are poised to accomplish their dreams It unleashes a strong sense of purpose that would resurrect lost aspirations and ignite flames of achievement and eternal outcomes The issues raised demand your thorough attention if you will profit from the wisdom shared They are instructive to the thinking mind This book is a treasure field But it must be mined So while you read heed the urge to purposefully pause reflect and precipitate the cogitations of your mind It will do you eternal good *Recentering the Self* Michael Washburn, 2023-10-01 In *Recentering the Self* Michael Washburn presents a new account of the ego ego development and the role of the ego in spiritual life He starts by tracing the premodern antecedents of the notion of the ego in Greek philosophy and Christian theology and then explains the seventeenth century emergence of the notion in Descartes's radically new account of the soul's relation to the body Reviewing subsequent criticisms of the notion the author formulates a revised conception of the ego that highlights the ego's inherently two-sided nature as a subject and agency that although rooted within interior consciousness lives originally and primarily in the material social world Washburn uses this revised conception of the ego to explain how the two sides of the ego develop in concert over major stages of the human lifespan and why the ego despite widespread belief to the contrary plays primarily a positive role in spiritual life *Recentering the Self* makes important contributions to the history of philosophy consciousness studies phenomenology developmental psychology and spiritual or transpersonal psychology *The Blackwell Companion to Religious Ethics* William Schweiker, 2008-04-15 Written by internationally renowned scholars this Companion maps the moral teachings of the world's religions and also charts new

directions for work in the field of religious ethics Now available in paperback this is a rich resource for understanding the moral teachings and practices of the world s religions Includes detailed discussions of issues in moral theory Offers extensive treatment of the world s major religious traditions including Judaism Christianity Islam Buddhism Hinduism Chinese religions and African religions Compares the ways in which the religions provide resources for addressing current moral challenges in areas such as ecology economics global dynamics religious war human rights and other topics **The Living Church** ,1916
