WHAT'S SO GREAT ABOUT CHRISTIANITY

"With scholarship and eloquence that reminds me of C. S. Lewis, Dinesh D'Souza addresses the urgent questions of our time, such as 'Is Christianity believable in the face of the discoveries of modern science and modern scholarship?' His answer is a resounding 'yes.' More than a decisive refutation of atheist attacks, this is a powerful, affirming, genuinely exciting argument for Christianity. You may want to carry this one around with you."

—REVEREND ROBERT H. SCHULLER

"Responding to the current epidemic of atheist manifestos, Dinesh D'Souza applies just the right balm for the troubled soul. Assembling arguments from history, philosophy, theology, and science—yes, science!—he builds a modern and compelling case for faith in a loving God. If you're seeking the truth about God, the universe, and the meaning of life, this is a great place to look."

—FRANCIS COLLINS, director of the Human Genome Institute

"The great merit of this book is that it concedes nothing. Rather than engaging in the usual defensive ploys, D'Souza meets every anti-God argument head on and defeats it on its own terms. He subjects atheism and scientific materialism to sustained rigorous interrogation and shows that their claims are empty and incoherent. Infinitely more sophisticated than the rants produced by Richard Dawkins, Sam Harris, and Christopher Hitchens, *What's So Great About Christianity* leaves those atheist books in the dust."

—STANLEY FIEB, author of *How Milton Works*

"Those who believe in God are at present being subjected to a barrage of atheist propaganda, directed particularly at Christianity. *What's So Great About Christianity* is a much-needed response to this offensive. It is wide-ranging, specific, well-researched, and dependably accurate. It will be of immense value to all those who wish to defend and uphold the Christian case."

—PAUL JOHNSON, author of *Modern Times*

Whats So Great About Christianity Hardcover

Nero James Pruitt

Whats So Great About Christianity Hardcover:

What's So Great About Christianity Dinesh D'Souza, 2008-11-04 Is Christianity true Can educated thinking people really believe the Bible Or do the athiests have it right Has Christianity been disproved by science and discredited as a guide to morality Best selling author Dinesh D Souza What s So Great About America approaches Christianity with a skeptical eye but treats the skeptics with equal skepticism The result is a book that will challenge the assumptions of doubters and affirm that there really is indeed something great about Christianity **Good News for Moderns** Nero James Pruitt, 2015-06-27

There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my churchs teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on Pruitts reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom **Surveying Christianity's African Roots (Paperback)** Jimmie Compton, 2019-05-31 pre Constantinian

Christian intellect apparently found a richer thought environment in Africa than elsewhere It discovered itself in the intellectual centers of Africa before Europe had produced such centers Eventually it offered its rich wisdom to the cultures of the northern side of the Mediterranean Dr Thomas C Oden This book surveys the rational organized thriving Scripturally informed and Holy Spirit inspired roots of indigenous Christianity in Africa from 33 A D through 537 A D The intent is to supplement existing Church history resources **The Problem of Evil** Benjamin W. McCraw, Robert Arp, 2015-12-24 This book engages the problem of evil from a variety of philosophical viewpoints traditions methodologies and interests For millennia philosophers theologians and people outside of the academy have thought about evil and its relation to religious belief The Problem of Evil New Philosophical Directions aims to take this history of thought into evil while also extending the

discourse in other directions providing a multi faceted collection of papers that take heed of the various ways one can think about evil and what role it may play in philosophical considerations of religion From the nature of evil to the well known problem of evil to the discussion of the problem in philosophical discourse the collection provides a wide range of philosophical approaches to evil Anyone interested in evil its nature relation to religious belief its use in philosophical discussion and so on will find the papers in this book of interest

Unveiling the Great Mystery of the First Century Church Volume One Paperback Mark Atkinson,2007-09-01 In recent years the world has offered its own versions of the truth behind Christianity the Da Vinci Code the secret gospels and secret societies within the Church But here is a book with a difference that offers its readers the real mystery of the Christian faith The Bible actually records God s own version of the Great Mystery of Christianity The apostles and prophets in the first century church were guardians of a secret knowledge which they taught to the faithful followers of Jesus Christ This secret teaching is the most powerful knowledge in the entire world The Bible speaks of its glorious riches and how God wants to make them known This is the true heart of Christianity Perhaps for the first time in two thousand years this book opens up with remarkable clarity the revelation that God gave to the Apostle Paul It is a must read for every Christian The Great Secret of the Christian faith is the true meat of the Bible

Never Again Emma Etuk,2008-05 In this book you will learn how Africa is greatly endowed and blessed her contributions to world civilization experiences with colonialism and neo colonialism her need to excel produce or perish the lessons from history and *Never Again* **Think and Believe** Frederick W. Marks,2012 A coherent forceful and compelling case for God and the Church founded by Jesus of Nazareth This is a remarkable achievement of solid factual information that is loaded with ammunition for the new evangelization Contains colorful vignettes of historic moments alternating with sustained argument Marks challenges the reader to set aside long held assumptions and prejudices Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God His followers converted an entire empire without resort to violence and after winning Rome they not only gave the world its calendar but transformed pagan culture beyond recognition These hard cold facts are presented here with copious notes for easy identification of persons events or doctrines that may be unfamiliar The reader will also find a detailed index and useful appendices Quantum Gods Victor J.

Stenger,2009-09-25 Stenger alternates his discussions of popular spirituality with a survey of what the findings of 20th century physics actually mean in laypersons terms without equations **The Publishers Weekly** ,1972 Basic Bible Understanding 101 Crossfire,2018-04-29 The definition of a few terms as used in the Bible makes a lot of difference in how a person understands God s word A basic understanding goes a long way in properly dividing the word of truth and yet this basic understanding is not grasped by many Christians This short cut to the chase book can help
