What's So Great about God Dinesh D'Souza, 2013-09-13 For a lot of people the biggest question about God is not surprisingly enough whether He exists Instead it is about whether God is truly good Dinesh D Souza in his debates with leading atheists quickly realized that many of those debates revolved around the question of evil in this world how God could create a world that allowed such suffering and evil In What s So Great about God Dinesh D Souza takes these questions head on Does God act like a tyrant Is God really responsible for the evil in this world Why is there suffering in the world For the first time ever Dinesh D Souza approaches this apologetic topic with historical and scientific proof and presents to the reader why God is truly worthy of our worship and love Previously published as Godforsaken [What's So Great About Christianity](#) Dinesh D'Souza, 2008-11-04 Is Christianity true Can educated thinking people really believe the Bible Or do the athiests have it right Has Christianity been disproved by science and discredited as a guide to morality Best selling author Dinesh D Souza What s So Great About America approaches Christianity with a skeptical eye but treats the skeptics with equal skepticism The result is a book that will challenge the assumptions of doubters and affirm that there really is indeed something great about Christianity **Systematic Theology/Historical Theology Bundle** Wayne A. Grudem, Gregg Allison, 2015-10-27 A collection that includes two of our most exemplary textbooks Systematic Theology and Historical Theology The ebook will provide an introduction to Biblical and Christian doctrine [50 Great Myths About Atheism](#) , 2013-08-12 Tackling a host of myths and prejudices commonly leveled at atheism this captivating volume bursts with sparkling eloquent arguments on every page The authors rebut claims that range from atheism being just another religion to the alleged atrocities committed in its name An accessible yet scholarly commentary on hot button issues in the debate over religious belief Teaches critical thinking skills through detailed rational argument Objectively considers each myth on its merits Includes a history of atheism and its advocates an appendix detailing atheist organizations and an extensive bibliography Explains the differences between atheism and related concepts such as agnosticism and naturalism **Good News for Moderns** Nero James Pruitt, 2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my churchs teachings to know

that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on Pruitts reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom

If God Were Real John Avant,2009-07-07 In this provocative book pastor John avant encourages readers to uphold a consistent practice of what they believe not just a verbalization of what they believe If Christians truly believe in God they should live genuinely changed lives as the ultimate proof that He is real Many Christians live their lives as if they do not believe in God They go to church and praise His name on Sundays but in their daily lives they don t think about the Lord that often They don t show much concern or charity for others They don t feel gratitude to the Lord for His blessings They don t allow God s love to be reflected in their actions giving Christianity a bad name in the process In their practical day to day lives many Christians are almost living as though they are atheists Pastor Avant witnesses many Christians not living up to their claims and he asserts that there is not much Christ left in that form of Christianity In *If God Were Real* he challenges Christians to consider whether or not they believe in God If they do Pastor Avant wants readers to consider what life would be like if they lived as if they believed in God He advocates for the pursuit of a new Jesus movement that resembles Christ s original followers followers who were so steadfastly devoted to Him that their every action reflected His glory With *If God Were Real* readers will embark on an adventure of discovery of the real God and a life lived in praise of Him
