Garland, 2003-11-01 Paul's first letter to the Corinthians is one of the most important epistles in the New Testament David Garland's thoughtful new commentary draws on extensive research and engages the best of contemporary scholarship while providing a readable study that will be

As Pilgrims Progress - Learning how Christians can walk hand in hand when they don't see eye to eye
Stephen John March, David E. Bjork, 2015-05-29 This book is for Roman Catholic and Evangelical Protestant lay people who wonder what relationship if any they might have with their friends who come from a different Christian faith tradition than their own The authors aim to address that question in a practical way They believe that while disagreements remain it is possible to preserve the integrity of the faith while relating positively to Christians who cherish other beliefs The opinions expressed in this book grew out of nearly thirty years of experience as evangelical protestant missionaries ministering in catholic parish communities in France The goal of the book is to move the readers beyond simply understanding each other to a place where they might begin using their diversity to stimulate and encourage each other in our common pursuit of obedient discipleship We know of no other book which targets ecumenical lay relations in this way

What God Wishes Christians Knew about Christianity Bill Gillham, 1998-07-07 Bill Gillham believes that the Christian life is a blessing rather than a burden and is convinced that misapprehensions of what the Bible really says sometime leave us feeling shackled instead of free He shows the way to seeing things differently
