The Everything Parent's Guide to Dealing with Bullies Deborah Carpenter,Christopher J. Ferguson,2009-06-18 Mocking Namecalling Physical aggression These experiences are all

forms of bullying that can wreak havoc on a child's self-esteem, safety, and general happiness. Both parents of bullied children and parents of bullies are in a difficult situation. They want to protect their children and control their behavior without making the problem worse. Parents need a comprehensive up-to-date guide to ensure that their children's education and quality of life are not compromised. This book helps parents learn to recognize the signs of bullying, find out where bullying is taking place (at school, at a friend's house, or on the Internet), understand the differences between bullying among boys and girls, teach social skills and assertiveness techniques, communicate with the parents of bullies, get support from teachers, counselors, and other school administrators, and handle bullying situations involving children with special needs. Written by Deborah Carpenter, a social worker and assistant principal, this guide gives parents all the tools they need to recognize the problem, treat it properly, and prevent it from happening again.
