[Murder in Battle Creek](#) Blaine L. Pardoe, 2013-06-18 In 1963 Daisy Zick was stabbed twenty seven times at her home in Battle Creek Michigan and locals are still talking about the unsolved case today On a bitterly cold morning in January 1963 Daisy Zick was brutally murdered in her Battle Creek Michigan home No fewer than three witnesses caught a glimpse of the killer yet today it remains one of the state's most sensational unsolved crimes The act of pure savagery rocked the community as well as the Kellogg Company where Zick worked Here Blaine Pardoe offers a detailed chronicle of this shocking and mysterious crime With long sealed police files and interviews with the surviving investigators the true story of the investigation can finally be told Who were the key suspects What evidence do the police still have on this cold case more than fifty years later Just how close did this murder come to being solved Is the killer still alive These questions and more are masterfully brought to the forefront for true crime fans and armchair detectives

Isadore's Secret Mardi Link, 2010-04-23 In Isadore's Secret Mardi Link shines a journalist's lamp on this dark quiet corner of Michigan's history assuring that the tragic story of Sister Janina is not forgotten Link's telling is fascinating and thorough making a story you will not soon forget Steve Lehto author of Death's Door A gripping account of the mysterious 1907 disappearance of a young nun in a northern Michigan town and the national controversy that followed when she turned up dead and buried in the basement of her own church Swinging planks of lantern light shine through the musty air and onto the dirt floor of the church basement The oddly glowing rectangles syncopate over the damp ground and illuminate even the darkest stooped down corners of the space beyond The only sound is the ragged breathing of two men a

young parish priest and a much older laborer Aboveground these men belong completely to this place in both body and soul A glimpse of their faces anywhere in the sanctuary the rectory the school the barn or the gardens would be a welcome sight But here below these men of Isadore are interlopers Only trespassers would sneak silently into the church s sloped underbelly without witness to carry out such a sinful and secret errand as this one Despite their tools and their lantern and their resolve neither is equipped for the task at hand or for what is to come
