Coordinator Frederick County Public Schools MD **Guide to Transforming Teaching Through Self-Inquiry** James Pelech, 2013-07-01 In the past twenty years the importance of reflection has been recognized by all professions especially the education profession In the field of education terms and practices such as reflective practice action research journaling collaborative observation professional development peer observation and professional portfolios have become organizing units of discussion and practice This book extends knowledge in the field not just by providing prompts and examples of things to do but also by presenting an organized and cohesive system consisting of definitions principles and guidelines that can be used for all reflective practice activities This system blends ideas and concepts from phenomenology the Constructivist philosophy experiential learning critical reflection theories on turning knowledge into action and transformative learning Moreover the book creates a logical system for reflective practice that provides a foundation for a framework that organizes teacher transformation through reflection This system is anchored by the practical examples

provided thus making this book practical for all those interested in improving student learning The strength of this book is that it is not a recipe type publication rather it is a cohesive system which creates a rationale for the system presents the system and provides many examples The intended audience includes practitioners teacher educators teacher candidates and administrators

Discipline with Dignity, 4th Edition Richard L. Curwin, Allen N. Mendler, Brian D. Mendler, 2018-04-16 In this revised and updated 4th edition Discipline with Dignity provides in depth guidance for implementing a proven approach to classroom management that can help students make better choices and teachers be more effective Emphasizing the importance of mutual respect and self control the authors offer specific strategies and techniques for building strong relationships with disruptive students and countering the toxic social circumstances that affect many of them including dysfunctional families gangs and poverty Educators at all levels can learn The difference between formal and informal discipline systems and when to use each The role of values rules and consequences How to address the underlying causes of discipline problems that occur both in and out of school What teachers can do to defuse or prevent classroom disruptions and disrespectful behavior without removing students from the classroom Why traditional approaches such as threats punishments and rewards are ineffective and what to do instead How to use relevance teacher enthusiasm choice and other elements of curriculum and instruction to motivate students How to reduce both teacher and student stress that can trigger power struggles With dozens of specific examples of student teacher interactions Discipline with Dignity illustrates what you can do and not do to make the classroom a place where students learn and teachers maintain control in a nonconfrontational way The goal is success for all in schools that thrive

Teaching with a Social, Emotional, and Cultural Lens Nancy Lourié Markowitz, Suzanne M. Bouffard, 2022-08-18 Teaching with a Social Emotional and Cultural Lens goes beyond existing social emotional learning programs to introduce a new framework for integrating the development of key skills needed for academic success into daily classroom practice The framework spells out the competencies processes and strategies that effective P 12 educators need to employ in order to build students social and emotional learning The book is based on a decade of pioneering work by the Center for Reaching and Teaching the Whole Child at San Jos State University building on the work of the Collaborative for Academic Social and Emotional Learning CASEL and on research about effective teaching and learning and culturally responsive practices Teaching with a Social Emotional and Cultural Lens serves as a critical roadmap for educators whether they are university faculty searching for how to bring a social emotional and cultural lens into their methods or foundations course and field work experiences or classroom teachers hoping to infuse critical skill building into the everyday academic learning that is the traditional focus of schools

Working the Room Ron Nash, 2023-11-13 Teachers often will conclude that teacher talk and worksheets won t cut it if getting students deeply engaged in their own learning is the goal Indeed students need to move beyond pretending to listen they can and should develop essential competencies that include academic discourse with classmates fielding and asking open ended questions

seeking and providing peer feedback identifying failure as a necessary accelerant to improvement and finding joy in learning Having coached and observed in hundreds of K 12 classrooms over three decades Nash has met some incredible teachers whose students truly don't want to miss anything You'll meet teachers like that in this book as you discover ways to work the room in a collaborative engaging and joyful environment

Closing the Attitude Gap Baruti Kafele,2013-08-12 In this inspiring and thought provoking follow up to his 2009 best seller *Motivating Black Males to Achieve in School and in Life* Baruti Kafele makes the case that the attitude gap that often affects underperforming students can only be closed if educators first help students develop the will to strive for excellence According to Kafele educators can achieve remarkable results by focusing on five key areas The teacher's attitude toward students The teacher's relationship with students The teacher's compassion for students The learning environment The cultural relevance of instruction Replete with practical strategies and illustrative anecdotes drawn from the author's 20 plus years as a teacher and principal in inner city schools *Closing the Attitude Gap* offers a wealth of lessons and valuable insights that educators at all levels can use to fire up their students passion to learn

Shake-Up Call Ron Nash,2012-10-05 Traditional teacher centered classrooms are not serving the needs of our students Their futures will increasingly demand skill sets in the areas of communication collaboration and critical thinking worksheets videos and lectures will not prepare them for the challenges they will face in an increasingly global economy *Shake Up Call The Need to Transform K 12 Classroom Methodology* calls on educators at every level to challenge the status quo and take risks on behalf of kids Ron Nash calls on teachers to move off the stage and become facilitators in a process where students are heavily engaged in their own learning Teachers need to get kids up moving pairing sharing and asking questions as they seek to understand content related information This book reminds teachers of the importance of feedback in the continuous improvement process along with the role of consistency In order to get students up moving and sharing classrooms must be set up to allow for this movement Nash includes an appendix full of pictures showing classroom configurations that facilitate movement and academic conversations The final chapter calls for an end to isolation as teachers move to collaboration and the power of We
