When The Spirit Comes With Power Signs And Wonders Among Gods People:

When the Spirit Comes with Power John White, 2009-09-20 John White has extensively interviewed many people including those from John Wimber's Vineyard Christian Fellowship. His years of work as a psychiatrist and as a missionary in the Third World qualify him in a special way to analyze the experiences described in this book. In addition, he has thoroughly studied revivals of the past, highlighting the differences and the similarities to what is happening today. As always, John White remains thoroughly biblical as he handles many controversial topics. The result is a book full of practical wisdom and remarkable insight with conclusions that are fresh and surprising.

The Establishment: the fallen tent of David and God's end-time house of prayer J. Scott Husted, 2009-03-01 This is a book about the workings of an establishment that God is doing in these last days. Prophesied from ancient times, the establishment is going on in communities across the globe. As centers for intercession, as centers for evangelism, and as strategic bases for mercy and justice, God is founding Houses of Prayer all across the earth. This is The Establishment.

Doing Theology in Today's World John D. Woodbridge, 1994-07 This volume focuses on a central question: What does a person need to know for developing a theology? In other words, this book will not only answer objections lodged against the study of theology but will explain to students, pastors, and laypersons alike what a theologian actually does. It will also present different approaches to the study of theology and review the present status of theological reflection in various Protestant, Orthodox, and Roman Catholic traditions. In the first section of the book, evangelical Protestant scholars describe the contributions various disciplines make to the study of theology. In the next section, evangelical Protestant scholars explain the distinctives of their approaches to doing theology. In the third part, theologians who do not identify with evangelical Protestant convictions seek to explain the distinctives of their approaches to doing theology. In the final section, Dr. Kantzer provides a summary analysis of how he does theology and interacts critically with a number of essays in this volume.

Missiological Education for the Twenty-first Century J. Dudley Woodberry, Charles E. Van Engen, Edgar J. Elliston, 2005-06-07 Thoughtful and original contributions from twenty-one of the world's foremost missiologists in a volume dedicated to Fuller Seminary's former dean Paul E. Pierson outline an agenda for mission education that will provoke lively discussion for years to come. Fuller Theological Seminary's School of World Mission is the locus of some of the most creative thought and scholarly reflection on Christian mission in today's world. Edited by the School's dean and two professors, a score of authors respond to the question: How should missiological education be carried out to prepare men and women to work in the twenty-first century? Contributors: Andrew F. Walls, Gerald H. Anderson, Paul G. Hiebert, Kenneth Mulholland, L. Grant McClung, Jerald D. Gort, Mary Motte, Michael James Oleksa, Tite Tienou, Samuel Escobar, Ken R. Gnanakan, Wilbert R. Shenk, Darrell Whiteman, Roger S. Greenway, Philip C. Stine, Stuart Dauermann, Ralph D. Winter, J. Dudley Woodberry, Viggo Sogaard, Charles Van Engen, Edgar J. Elliston.

Understanding Affections in the Theology of Jonathan Edwards Ryan J. Martin, 2018-11-15 This volume argues that the notion of affections discussed by Jonathan

Edwards and Christian theologians before him means something very different from what contemporary English speakers now call emotions and that Edwards's notions of affections came almost entirely from traditional Christian theology in general and the Reformed tradition in particular. Ryan J. Martin demonstrates that Christian theologians for centuries emphasized affection for God, associated affections with the will, and distinguished affections from passions, generally explaining affections and passions to be inclinations and aversions of the soul. This was Edwards's own view, and he held it throughout his entire ministry. Martin further argues that Edwards's view came not as a result of his reading of John Locke or the pressures of the Great Awakening, as many Edwardsean scholars argue, but from his own biblical interpretation and theological education. By analysing patristic, medieval, and post-medieval thought and the journey of Edwards's psychology, Martin shows how, on their own terms, pre-modern Christians historically defined and described human psychology.

Jonathan Edwards's Sinners in the Hands of an Angry God Jonathan Edwards, 2010-01-01 Designed specifically for the classroom, this volume presents the accurate and definitive version of *Sinners*, accompanied by the tools necessary to study and teach this famous American sermon. With an introduction aimed at students and teachers, and commentary that draws on fifty years of team editorial experience of Yale's *Works of Jonathan Edwards*, it provides both context and interpretation and addresses the concerns and questions of a twenty-first century audience. The book contains questions for in-class discussion, a chronology of Edwards's life, and a glossary. In addition, curricular materials and video mini-presentations are available on a dedicated Web site. This casebook represents an innovative contribution to the art of teaching Edwards to a new generation of readers.

A Light to the Nations Stanley M. Burgess, Paul W. Lewis, 2017-03-02 The essays in this volume, which are written by friends, colleagues, and former students, are dedicated to Gary B. McGee as a memorial to his life, work, and service. As a professor with a clear calling to teach, he modeled this passion at the Open Bible College, Des Moines, Iowa; Central Bible College, Springfield, Missouri; and the Assemblies of God Theological Seminary, Springfield, Missouri. He exuded the understanding that quality teaching, superior scholarship, a genuine Pentecostal spirituality, and an irenic spirit can and should go together. Within the title of this volume, *A Light to the Nations*, two aspects become clear. First, each person is called to be a light to the nations, as Gary McGee modeled. Second, and foundational to the first, is the reality that Jesus Christ is the ultimate light, and our energies, study, discussions, and life in general should rely on this fact. As a reflection of Gary McGee's life and ministry, these two aspects are focused through three lenses, which are the three sections of this volume: Ecumenism, Missions, and Pentecostalism. The essays represent a diversity of subjects and denote various explorations by colleagues and friends of Gary B. McGee.

God's Daughters R. Marie Griffith, 2000-11-24 Vivid, lucid, and well-written. I came away with a better understanding of how the specific realities of being submissive wives are negotiated, constructed, challenged, and transformed. Lynn Davidman, author of *Tradition in a Rootless World*. Griffith's deft portrayal is a unique and important contribution to the study of Pentecostal spirituality and a compelling model for the retelling of women's religious experience.

Miracles : 2 Volumes Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook.com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports
