Hinduism and the Man on the Cross Norman Law, 2023-10-10 The reason for writing this book is because of God's

irrefutable love for the people of India through His only Begotten son Jesus Christ This book explores the records of archeology history of migration language and religion of Hinduism and the findings are astonishing in that it is not what we normally expect The author described the character and attributes of the six major Hindu deities Brahma Vishnu Shiva Indra Krishna and Rama as written in the ancient sacred Vedic Hindu texts Rig Veda Samaveda Yajur Black and White Vedas Atharva Veda Upanishads Bhagavad Gita Ramayana Mahabharata and the Puranas and they are definitely not as common beliefs or rumors passed down from generation to generation A comparison is made with the character and attributes of God as described in the Christian Bible Similarly the author explores the origin of Hinduism s major doctrines Krishna s claims the Samsara cycle Trimurti avatars dharma self realizations renunciation of and freedom from attachments yogic meditation demonic possession and minor doctrines like worship idol worship sin death incarnation castes hell curses women astrology etc as found in the ancient sacred Vedic texts as mentioned above and compared them with the theology doctrines and practices as found in the Christian Bible

Mysteries of the Bible Glenn Ahrens,2022-07-06 There are so many stories and rumors about the Bible that it really frustrates me From the lost books of the Bible to interpretations that are not even close to the real thing As Christians we profess to believe in one God and one Bible The million dollar question is how do we get well over nine thousand different religions that all claim to believe in the same thing After fifteen years of research and scholastic training I wrote this book with the purpose of getting out the truth about the Bible going back to the original Greek and Hebrew and eyewitness accounts from people that lived in the time of Jesus I categorically prove step by step how despite the diverse sources and writers of the Bible all the books of the Bible belong where they are and are divinely inspired or divinely written Also that every book chapter and verse belongs exactly where it is and fits together like a puzzle There is an intricate web of mysteries that tie it all together I thoroughly explain seven of these mysteries and how they hold the Bible together It is time that the truth be known about the Bible and have the stories and rumors put to rest for once and for all I spent over fifteen years of my life dedicated to that This book is based solely on fact and history with no interpretations added unless I say it s my opinion
