Losing Julia Jonathan Hull, 2001 In a world torn apart by war one man would search a lifetime to find what he once lost a woman named Julia Patrick Delaney was just a boy when he marched off to war in 1918 But on the stark

battlefields of France amid the horror and the chaos Patrick forged a bond that would shape the course of his life Daniel was Patrick's best friend his comrade in arms But it was Daniel's lover Julia who would change Patrick forever Julia's letters shared by Daniel in the muddy trenches touched Patrick in ways he never could have expected But years would pass before he finally met her at a war memorial in France There on a field still scarred by battle Patrick closed his eyes in silent prayer and opened them to the woman he had never seen but always loved Julia After a brief passionate encounter Patrick made a fateful choice and Julia slipped away perhaps never to return It is just the beginning of an astonishing story that will span almost a century a story of memory and desire history and destiny and of the people who slip from our grasp only to hold us forever
