Tangle Tree A. E. Smith,2022-03-18 If you are easily frightened stay away from Tangle Tree where diabolical entities watch for opportunities to persecute the living Even today Tangle Tree Valley is cursed by the legend of a deadly confrontation in 1192 between a powerful Shawnee sorceress and a ruthless tribal leader The disturbing presence of five oak trees stand in memorial of his murders and her revenge Likewise

Tangle Tree Manor is believed to be haunted by the ghosts of the Crayton family who built the mansion after fleeing the potato famine of Scotland in the 1850s. The family was tormented with suspicion, tragedy, and the constant fear of retribution for Richard Crayton's betrayal of vindictive conspirators. Being unaware of the danger, six people seeking psychiatric treatment—two psychiatrists and Jesse Kingston, the property manager—commit to a six-week stay in the isolated mansion despite its haunted reputation. Supernatural apparitions menace the occupants, and secret agendas complicate the treatment process. Dangerous intruders, mysterious disappearances, and unexplainable events abound as relationships both amiable and antagonistic develop during their stay. The nine face physical and emotional challenges as they struggle to untangle the truth of their own tragedies and survive the curse of Tangle Tree Valley.

The Kindred Carol Camara, 2002-08 Billy had lived through the most horrible experience a child could imagine, but it was over. The creatures that had tortured him were dead, and he would have to learn to suppress the memories and go on. Or were they? Why was he having these nightmares, and why did he feel them inside his head? The Elder remembered everything that had happened: the Kindred's release, the massacre, and their escape. He stared out into the darkness with thoughts of revenge consuming him. This time we will not fail, he thought, as he turned and watched the young girl below him struggle to escape the horrors he had manifested in the pit.
