Guiding Spirits (Veritas) Michele L. Sayre, 2023-06-17 GUIDING SPIRITS VERITAS The beauty of poetry is that we try to express with the fewest words possible the entirety of life and our natures and what it is like for us to live upon this planet Words become a song that we sing out into the universe trying to reach out to like minded souls It is our nature to express ourselves and share who we are with the cosmos There s a certain fearlessness attached to a poem when it s presented to the world There s always that one iota of fear where the poet feels that they are alone in their views and someone else will not get them at their most basic level of humanity Poetry is saying Here I am universe Take me as I am I hope you love me but if that cannot happen I will be satisfied if you just don t ignore me To be heard is to matter and that is all any of us want to fulfill the wish that our lives matter That what we think and feel and hope matters to someone other than ourselves This book is an exploration and experiencing of the world around us through the poet s eyes when she was much younger than she is now Through any age we all experience the same emotions desires wants dreams and just a heart felt wish that we matter to someone in this universe even if it s ourselves POETRY EXCERPT FROM THE BOOK Sweet Music Like the truest violin my heart sings in me It quivers and vibrates with my love for thee It shivers and shakes and begins anew This pulse in my heart it sings just for you An enchanting melody that follows me round not a more haunting melody can ever be found You are that violin and I am your bow Stroking you touching you loving you so The hardness the softness the shimmering air fills with sweet music because I m with you there It resonates and rings with the love we ve found My world is just music it rings with our sound I know our last note will never be played because I know this true love never fades You Don't Know Me, but My Name Is Yea Carl Capatina, 2011-08-17 All eyes were on Suzy She was wavering between making a dash to their safe room a cement bunker located behind a hidden door in their downstairs guest bathroom that she had insisted on constructing when they fi rst moved in after all everyone knows that the suburbs are rife with crime with Guido clutched to her breast or trying to beat Guido to the front door so that she could be the fi rst to see what I had in store for my next trick She leaned over and softly whispered in my ear Just so you know if you hurt him I personally will hunt you down There will be no police no FBI no lawyers no jury no arrest no appeal just me The Bible says that vengeance is mine sayeth the Lord I say that if it is good enough for God then it is good enough for me Record on Appeal , 1904 A Fraction of the Whole Steve Toltz, 2008-02-12 Meet the Deans The fact is the whole of Australia despises my father more than any other man just as they adore my uncle more than any other man I might as well set the story straight about both of them Heroes or Criminals Crackpots or Visionaries Families or Enemies Anyway you know how it is Every family has a story like this one Most of his life Jasper Dean couldn t decide whether to pity hate love or murder his certifiably paranoid father Martin a man who overanalyzed anything and everything and imparted his self garnered wisdom to his only son But now that Martin is dead Jasper can fully reflect on the crackpot who raised him in intellectual captivity and what he realizes is that for all its lunacy

theirs was a grand adventure As he recollects the events that led to his father s demise Jasper recounts a boyhood of outrageous schemes and shocking discoveries about his infamous outlaw uncle Terry his mysteriously absent European mother and Martin s constant losing battle to make a lasting mark on the world he so disdains It s a story that takes them from the Australian bush to the cafes of bohemian Paris from the Thai jungle to strip clubs asylums labyrinths and criminal lairs and from the highs of first love to the lows of failed ambition The result is a rollicking rollercoaster ride from obscurity to infamy and the moving memorable story of a father and son whose spiritual symmetry transcends all their many shortcomings A Fraction of the Whole is an uproarious indictment of the modern world and its mores and the epic debut of the blisteringly funny and talented Steve Toltz *Catalog of Copyright Entries* Library of Congress.
