do and what you need to do but you cant function because the enemy has left you paralyzed Even though you want to move and even though you have the strength to move a voice inside your head keeps talking to you It keeps saying the same thing over and over again That voice is designed to keep the cycle of bad thoughts in your head If we refuse to terminate the cycle and allow it to be passed down from generation to generation you will keep producing stagnated non prospering offspring who will never progress in their spiritual walk Thats why it is so important to renew our minds with right thinking
