Where The Edge Gathers Building A Community Of Radical Inclusion:

Where the Edge Gathers: Yvette A. Flunder, 2005-06-01 In *Where the Edge Gathers* Flunder uses examples of persons most marginalized by church and society to illustrate the use of village ethics knowing where the boundaries are when all things are exposed and village theology giving everyone a seat at the central meeting place or welcome table She focuses on the following marginalized groups same sex couples to convey the need to re examine sexual and relational ethics transgendered persons to illustrate the importance of radical inclusivity and gay persons living with AIDS to emphasize the need to de stigmatize society s view of any group of people The book which combines both Flunder s personal experiences with marginalized people and theological and pastoral literature on the topic will appeal to denominational leaders and clergy who minister to the marginalized and the inner city

The Pentecostal World Michael Wilkinson, Jörg Haustein, 2023-04-01 The *Pentecostal World* provides a comprehensive and critical introduction to one of the most vibrant and diverse expressions of contemporary Christianity Unlike many books on Pentecostalism this collection of essays from all continents does not attempt to synthesize and simplify the movement s inherent diversity and fragmented dispersion Instead the global flows of Pentecostalism are firmly grounded in local histories and expressions as well as the various modes of their worldwide reproduction The book thus argues for a new understanding of Pentecostal and Charismatic movements that accounts for the simultaneous processes of pluralization and homogenization in contemporary World Christianity Written by a distinguished team of international contributors across various disciplines the volume is comprised of six parts with each offering a critical perspective on classical themes in the study of Pentecostalism Led by a programmatic introduction the thirty six chapters within these parts explore a variety of themes history and historiography conversion spirit beliefs and exorcism prosperity politics gender relations sexual identities racism development migration pilgrimage interreligious relations media ecumenism and academic research The *Pentecostal World* is essential reading for students and researchers in anthropology history political science religious studies sociology and theology The book will also be very useful for those in related fields such as culture studies black studies ethnic studies and gender studies

Giving Christianity Back to Agape Love Matthew Carriker, 2022-05-09 How could a church that has

been plagued by anti-Semitism the killing of the Crusades and the violence of the Inquisition to name a few be redeemed of these evils Quite simply it has always returned to Jesus When you return to Jesus you return to the heart of his message agape Agape is a Greek word in the New Testament referring to a love that is without limits and beyond conditions Agape is the love that God has for us and that we are called to have towards one another This book centers around this one assumption God loves us unconditionally Our task individually and as communities is to be instruments of that love This book reenvisioning traditional Christian beliefs including sin the Bible salvation homosexuality pluralism Jesus and atonement theology through the lens of agape love What would the Christian life look like if we embodied the good news in community as contemplatives in action In a time when churches are dying and failing giving Christianity back to agape love has the power to bring life into a religion that feels old worn out and over institutionalized To return Christianity to Jesus is to give the church universal back to a love that is boundless free and unconditional to a love that finds its heart in service peacemaking and radical transformation to a love that will set the world on fire *Notes of a Native Daughter* Keri Day, 2021-06-17 Bearing witness to more liberating futures in theological education In *Notes of a Native Daughter* Keri Day testifies to structural inequalities and broken promises of inclusion through the eyes of a black woman who experiences herself as both stranger and friend to prevailing models of theological education Inviting the reader into her religious world a world that is African American and more specifically Afro Pentecostal she not only uncovers the colonial impulses of theological education in the United States but also proposes that the lived religious practices and commitments of progressive Afro Pentecostal communities can help the theological academy decolonize and reenvision multiple futures Deliberately speaking in the testimonial form rather than the more conventional mode of philosophical argument Day bears witness to the truth revealed in her and others lived experience in a voice that is unapologetically visceral emotive demonstrative and ultimately communal With prophetic insight she addresses this moment when the fastest growing group of students and teachers are charismatic and neo Pentecostal people of color for whom theological education is currently a site of both hope and harm Calling for repentance she provides a redemptive narrative for moving forward into a diverse future that can be truly liberating only when it allows itself to be formed by its people and the Spirit moving in them True Inclusion Brandan Robertson, 2018-09-11 So your church website says you're welcoming a rainbow flag flies out front worship uses gender inclusive language and you make sure you greet the stranger next to you on Sunday mornings But is all of that really enough And what if those welcoming gestures actually keep visitors from returning and exclude dozens of other groups or people in your community In *True Inclusion* public theologian and pastor Brandan Robertson shares how to move your church from mere welcome to radical embrace Pointing to a clear biblical imperative for radical inclusivity in the sanctuary and in the public square Robertson presents a paradigm shifting vision of community where nothing is simple nothing is easy but everything is beautiful Learn practical step by step approaches to becoming deeply robustly and richly

inclusive of all people regardless of race gender identity sexual orientation political affiliation and socioeconomic status Written for people and communities at every stage of the journey True Inclusion will challenge and inspire you to embody a gospel of radical embrace for all

Ministry Among God's Queer Folk, Second Edition Bernard Schlager, David Kundtz, 2019-01-21 This practical pastoral care handbook written by two self described queer people of faith covers the basic skills that religious caregivers and ministry students need in order to be effective enlightened and supportive pastoral care providers to LGBTQ persons in congregational and other community settings Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling while the latter is reserved for those with special training in the practice of therapy the former can be developed by ministers and lay people with sufficient education and practice This book requires of the reader no previous experience with LGBTQ communities and treats the following topics the definition and functions of pastoral care effective care in challenging times coming out of the closet creating communities of care and caring for a wide variety of LGBTQ relationships The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care

Embracing Disruptive Coherence Kathleen T. Talvacchia, 2019-04-18 Does anyone need to come out anymore Queer theory has challenged the idea of coming out as problematic for its false binary and essentialized version of identity If gender is a socially constructed performativity then what does coming out mean At the same time we live in a society that still struggles with structures of power that define what is considered normal and sanctions those who transgress The intersectionality of gender with race class ethnicity nationality abilities religion age and other positional markers challenge a simplified belief that coming out is not necessary Therefore in the lived experience of many persons coming out still matters This book initiates a different theological conversation about coming out It argues that rather than the declaration of an identity category coming out can be understood as the erotic ethical practice of truth telling The formation of conscience and moral integrity embody the two pillars of this erotic practice Coming out understood as disruptive coherence is the erotic ethical practice of truth telling grounded in our deepest desires to be known authentically in community

Reproductive Losses Christa Craven, 2019-05-30 Although there are far more opportunities for LGBTQ people to become parents than there were before the 1990s attention to the reproductive challenges LGBTQ families face has not kept pace Reproductive Losses considers LGBTQ people s experiences with miscarriage stillbirth failed adoptions infertility and sterility Drawing on Craven s training as a feminist anthropologist and her experiences as a queer parent who has experienced loss Reproductive Losses includes detailed stories drawn from over fifty interviews with LGBTQ people including those who carried pregnancies non gestational and adoptive parents and families from a broad range of racial ethnic socio economic and religious backgrounds to consider how they experience loss grief and mourning The book includes productive suggestions and personal narratives of resiliency commemorative strategies and communal support while also acknowledging the adversity many LGBTQ people face as they attempt to form families and the heteronormativity of support

resources for those who have experienced reproductive loss This is essential reading for scholars and professionals interested in LGBTQ health and family and for individuals in LGBTQ communities who have experienced loss and those who support them See additional material on the companion website www.lgbtqreproductiveloss.org *Religion, Authority, and the State* Leo D. Lefebure, 2016-08-03 In commemoration of Constantine's grant of freedom of religion to Christians this wide ranging volume examines the ambiguous legacy of this emperor in relation to the present world discussing the perennial challenges of relations between religions and governments The authors examine the new global ecumenical movement inspired by Pentecostals the role of religion in the Irish Easter rebellion against the British and the relation between religious freedom and government in the United States Other essays debate the relation of Islam to the violence in Nigeria the place of the family in church state relations in the Philippines the role of confessional identity in the political struggles in the Balkans and the construction of Slavophile identity in nineteenth century Russian Orthodox political theology The volume also investigates the contrast between written constitutions and actual practice in the relations between governments and religions in Australia Indonesia and Egypt The case studies and surveys illuminate both specific contexts and also widespread currents in religion state relations across the world
