## **Wrapped In Plastic Twin Peaks Pop Classics:**

*Wrapped in Plastic* Andy Burns, 2015-02-01 Damn good coffee cherry pie and the big bang of auteur television In 1990 avant garde filmmaker David Lynch *Eraserhead* *The Elephant Man* *Dune* *Blue Velvet* and acclaimed television writer Mark Frost *Hill Street Blues* teamed up to create a television show that would redefine what the medium could achieve in a one hour drama With *Twin Peaks* the duo entranced audiences with the seemingly idyllic town its quirky characters and a central mystery who killed Laura Palmer In a town like *Twin Peaks* nothing is as it seems and in *Wrapped in Plastic* pop culture writer Andy Burns uncovers and explores the groundbreaking stylistic and storytelling methods that have made the series one of the most influential and enduring shows of the past 25 years *Right, Down + Circle* Cole Nowicki, 2023-09-26 An exuberant incisive look at how Tony Hawk's *Pro Skater* transformed a culture Going from a hobby toy for surfers to an Olympic sport skateboarding has had a tumultuous history Today professional skateboarders land endorsement deals with Nike and Adidas while popular television series like HBO's *Betty* tell the stories of diverse crews of skaters living in New York City So how did a fledgling subculture rise from its near death knell in the 90s to become ubiquitous today It was simply a matter of finding the right messenger In 1999 the bestselling video game Tony Hawk's *Pro Skater* was released and a new generation was exposed to skateboarding culture right in their very own homes Kids and adults alike could now spend hours playing as actual skateboarders learning the vernacular listening to the music skateboarders loved and having fun onscreen before trying to skate IRL in the driveway *Right Down Circle* explores how a video game starring the most famous pro skater in the world brought skateboarding culture and its ever shifting markers of music subversion and coolness to the masses and ultimately transformed the culture it borrowed from in the process **Clever Girl** Hannah McGregor, 2024-10-01 A smart and incisive exploration of everyone's favorite dinosaur movie and the female dinosaurs who embody what it means to be angry monstrous and free The *Jurassic Park* series is one of the most famous and profitable cinematic experiences of all time with an entire generation of people who have never known life without these CGI dinosaurs But while the movie spectacle broke film and merchandising records pioneered special effects and made Jeff Goldblum into an unlikely sex symbol it has also been re envisioned as a classic of queer feminist storytelling In *Clever Girl* Hannah McGregor argues that the female only dinosaurs of *Jurassic Park* are stand ins for monstrous women engineered by men to be intelligent violent and adaptive and whose chaos resists the systems designed to control them As they run wild through their prison a profit driven theme park they destroy the men and structures who mistakenly believed in their own colonialist and capitalist power showing the audience what it means to be angry monstrous and free The velociraptors were not just jump scares for children but also revelatory and predatory symbols of feminist rage *Clever girls* indeed About the Pop Classics Series Short books that pack a big punch Pop Classics offer intelligent fun and accessible arguments about why a particular pop phenomenon matters

*Most Dramatic Ever* Suzannah Showler, 2018-01-23 The right reasons to fall in love with *The Bachelor* When it debuted in

2002 The Bachelor raised the stakes of first wave reality television offering the ultimate prize true love Since then thrice yearly dozens of camera ready young and eligibles have vied for affection and roses in front of a devoted audience of millions In this funny insightful examination of the world s favorite romance factory Suzannah Showler explores the contradictions that are key to the franchise s genius longevity and power and parses what this means for both modern love and modern America She argues the show is both gameshow and marriage plot an improbable combination of competitive effort and kismet and that it s both relic and prophet a time traveler from first gen reality TV that proved to be a harbinger of Tinder In the modern media savvy climate the show cleverly highlights and resists its own artifice allowing Bachelor Nation to see through the fakery to feel the romance Taking on issues of sex race contestants as villains the controversial spin offs and more Most Dramatic Ever is both love letter to and deconstruction of the show that brought us real love in the reality TV era

**The Time of My Life** Andrea Warner,2024-04-09 An engaging exploration into the enduring popularity of Dirty Dancing and its lasting themes of feminism activism and reproductive rights When Dirty Dancing was released in 1987 it had already been rejected by producers and distributors several times over and expectations for the summer romance were low But then the film written by former dancer Eleanor Bergstein and starring Jennifer Grey and Patrick Swayze as a couple from two different worlds exploded Since then Dirty Dancing s popularity has never waned The truth has always been that Dirty Dancing was never just a teen romance or a dance movie it also explored abortion rights class and political activism with a smattering of light crime solving In The Time of My Life celebrated music journalist Andrea Warner excavates the layers of Dirty Dancing from its anachronistic chart topping soundtrack to Baby and Johnny s chemistry to Bergstein s political intentions to the abortion subplot that is more relevant today than ever The film s remarkable longevity would never have been possible if it was just a throwaway summer fling story It is precisely because of its themes deeply feminist sensitively written that we over 30 years later are still holding our breath during that last exhilarating lift *Ain't No Place for a Hero*

Kaitlin Tremblay,2017-10-17 A deep dive into the groundbreaking and bestselling video game series The critically acclaimed first person shooter franchise Borderlands knows it s ridiculous It s a badge of pride After all Borderlands 2 was promoted with the tagline 87 bazillion guns just got bazillionder These space western games encourage you to shoot a lot of enemies and monsters loot their corpses and have a few chuckles while chasing down those bazillion guns As Kaitlin Tremblay explores in Ain t No Place for a Hero the Borderlands video game series satirizes its own genre exposing and addressing the ways first person shooter video games have tended to exclude women queer people and people of colour as well as contribute to a hostile playing environment Tremblay also digs in to the way the Borderlands game franchise which has sold more than 26 million copies disrupts traditional notions of heroism creating nuanced and compelling storytelling that highlights the strengths and possibilities of this relatively new narrative medium The latest entry in the acclaimed Pop Classics series Ain t No Place for a Hero is a fascinating read for Borderlands devotees as well as the uninitiated Gentlemen of the Shade Jen

Sookfong Lee,2017-06-13 Gus Van Sant's film and the 90s cult of the alternative Gus Van Sant's 1991 indie darling *My Own Private Idaho* perplexed and provoked inspiring a new ethos for a new decade being different was better than being good *Gentlemen of the Shade* examines how the film was a coming of age for a generation of young people who would embrace the alternative and bring their outsider perspectives to sustainability technology gender constructs and social responsibility p p1 margin 0 0px 0 0px 0 0px 0 0px font 16 0px Times webkit text stroke 000000 span s1 font kerning none *My Own Private Idaho* fragmented and saturated with colour and dirt and a painfully beautiful masculinity also crept into popular media and its influence can still be traced R E M Portlandia Hipsterism James Franco Referencing the often funny and sometimes tragic cultural touchstones of the past 26 years *Gentlemen of the Shade* sets the film as social bellwether for the many outsiders who were looking to join the right or any revolution *It Doesn't Suck* Adam Nayman,2014-04-01 *The Worst Movie Ever* is a masterpiece Seriously Enough time has passed since *Showgirls* flopped spectacularly that it's time for a good hard look back at the sequined spectacle A salvage operation on a very public very expensive train wreck *It Doesn't Suck* argues that *Showgirls* is much smarter and deeper than it is given credit for In an accessible and entertaining voice the book encourages a shift in critical perspective on Paul Verhoeven's *Showgirls* analyzing the film its reception and rehabilitation This in depth study of a much reviled movie is a must read for lovers and haters of the 1995 Razzie winner for Worst Picture **In My Humble Opinion** Roberts, Soraya,2016-08-01 A smart engaging investigation of the show that brought real teens to TV *My So Called Life* lasted only 19 episodes from 1994 to 1995 but in that time it earned many devoted viewers including the showrunners who would usher in the teen TV boom of the late 90s and the new millennium With its focus on 15 year old Angela Chase's search for her identity MSCL's realistic representation of adolescence on TV was groundbreaking without her there would be no *Buffy* or *Felicity* *Rory Gilmore* or *Veronica Mars* The series broadcast coincided with the arrival of third wave feminism the first feminist movement to make teen voices a priority and Angela became their small screen spokesperson From her perspective MSCL explored gender identity sexuality race class body image and other issues vital to the third wave and the world To this day passionate fans dissect everything from what Rickie Vasquez did for gay representation to what Jordan Catalano did for leaning and Soraya Roberts makes an invaluable contribution to that conversation with **In My Humble Opinion** **David Lynch's American Dreamscape** Mike Miley,2025-01-09 How are David Lynch's films as much in dialogue with literary and musical traditions as they are cinematic ones By interrogating this question David Lynch's *American Dreamscape* broadens the interpretive horizons of Lynch's filmography calling for a new approach to Lynch's films that goes beyond cinema and visual art to explore how Lynch's work engages with literary and musical works that have shaped the American imagination As much as Lynch stands as a singular artistic voice his work arises from and taps into the cultural zeitgeist in a way that illuminates not only his approach to creativity but also the way works interact with each other in an age of mass media From children's literature to teen tragedy ballads Nathanael West

and Cormac McCarthy to folk music and mixtapes David Lynch's *American Dreamscape* investigates the cultural frequencies Lynch's films tune into and positions Lynch's work as a conduit for American popular culture a medium or channel through which the subconscious of American life finds its way into full view The book expands upon this approach by discussing how artists such as David Foster Wallace and Lana Del Rey graft Lynch's affiliative cinematic sensibility onto their own projects Reading their work as intertextual engagements with Lynch's films further illustrates the versatile interactions among creators and audiences to generate more works readers and readings

**Beautiful TV** Greg M. Smith, 2007-09 During its five year run from 1997 to 2002 the popular TV show *Ally McBeal* engaged viewers in debates over what it means to be a woman or a man in the modern workplace how romance factors into the therapeutic understanding of relationships what value eccentricity has and how much oddity society should tolerate and what utility fantasy has in the pragmatic world In addition to these social concerns however *Ally McBeal* stood out for being well constructed narratively complex and stylistically rich in short beautiful TV Starting from the premise that much of television today is drop dead gorgeous and that TV should be studied for its formal qualities as well as its social impact Greg M Smith analyzes *Ally McBeal* in terms of its aesthetic principles and narrative construction He explores how *Ally*'s innovative use of music special effects fantasy sequences voiceovers and flashbacks structures a distinctive fictional universe while it also opens up new possibilities for televisual expression Smith also discusses the complex narrative strategies that *Ally*'s creator David E Kelley used to develop a long running storyline and shows how these serial narrative practices can help us understand a wide range of prime time TV serials By taking seriously the art and argument of *Ally McBeal* **Beautiful TV** conclusively demonstrates that aesthetic and narrative analysis is an indispensable key for unlocking the richness of contemporary television

**National Treasure** Lindsay Gibb, 2015-10-01 A celebration of Nicolas Cage the man and the meme Nicolas Cage leading man or character actor Action hero or goofball comedian Internet joke or one of the greatest actors of his generation Beyond the gif bait and easy punchline Nicolas Cage continually frustrates easy categorization or understanding In *National Treasure* pop culture writer Lindsay Gibb studies Nicolas Cage's acting style and makes sense of the trajectory of his eclectic career In the process Gibb debunks the common claim that Cage makes bad choices While his selection of roles is seemingly inscrutable Cage challenges critics and audiences alike by refusing to be predictable or to conform to the Hollywood approach to acting Much like one of his mentors David Lynch Cage aims for art in movie making Is there a method to his madness Is he in on the joke In this clear eyed and well argued volume of the *Pop Classics* series Gibb answers both questions with a resounding hell yes
