What Pac Says Tupac Shakur Speaks From The Other Side:

What Pac Says Kristine Carlson, 2015-11-11 This book was channeled from Tupac Shakur to Kristine In this book Tupac talks about his life on earth his life on the other side the situation with Biggie Smalls his death and also gives advice he wishes he followed while he was on earth He also wrote some new lyrics poems Kristine is a psychic medium and a figure skater She has been in multiple car accidents and ended up bedridden for seven years During this time her psychic medium abilities grew and grew over time At first she didn't want to become a professional psychic medium but after doing readings for friends they kept telling that she really should Now she does readings for people all over the world through her website www.PsychicMediumReadingsByKristine.com She is grateful to be able to help others with her gift Kristine was not a Tupac fan When he came to her to ask to do this book for her she was shocked She repeatedly told him no She wasn't sure she wanted to take on this task But after a while of him being persistent and her getting to know him she decided she would do it She didn't want to hold him back from expressing himself and he wanted to express himself desperately Over the years they became very close he would even show up for her during her surgeries and procedures and try to make her laugh to distract her This book is Tupac's exact words he channeled to her with the dates and times that he came through Other than the beginning which explains how this book came to be everything is in Tupac's own words

that endured through their darkest times It is a political story that begins in the whirlwind of the 1960s civil rights movement and unfolds through a young artist s awakening to rage and purpose in the 90s era of Rodney King It is a story of dizzying success and its devastating consequences And of course it is the story of Tupac s music his timeless undying message as it continues to touch and inspire us today **Tupac Shakur** Tayannah Lee McQuillar,Fred L. Johnson,2010-01-26 A passionate critically incisive cultural biography of hip hop icon Tupac Shakur and an examination of the forces that shaped him In 1996 Tupac Shakur one of the most talented artists of his time was murdered by an unknown gunman Fred L Johnson and Tayannah Lee McQuillar examine the theories surrounding his death and the story of Tupac s lost legacy in this definitive biography For millions Shakur gave voice to their stories but there was also another side to him revealed as his life spun out of control as the whispered warnings from friends went unheeded and the denunciations of critics grew louder Disturbingly he sang and wrote about his impending death When it came it brought the music industry to its knees and ended an era when American rappers were leaders in using their art to speak the truth to corporate government and judicial power Tupac Amaru Shakur, 1971-1996 ,1998 The tragedy of Tupac is that his untimely passing is representative of too many young black men in this country If we had lost Oprah Winfrey at 25 we would have lost a relatively unknown local market TV anchorwoman If we had lost Malcolm X at 25 we would have lost a hustler nicknamed Detroit Red And if I had left the world at 25 we would have lost a big band trumpet player and aspiring composer just a sliver of my eventual life potential From the Foreword by Quincy Jones The real story of Tupac s murder may not ever emerge This may be the only lasting testament to the many faces of Tupac Shakur of a life lived fast and hard of a man cloaked in contradictions A young man who was just starting to come into his own I believe that everything you do bad comes back to you So everything that I do that s bad I m going to suffer for it But in my heart I believe what I m doing is right So I feel like I m going to heaven Tupac Shakur June 1996 **How Long Will They Mourn Me?** Candace Sandy,Dawn Marie Daniels,2010-12-08 Buried as a g while tha whole world remembers me Tupac Shakur from Until the End of Time Tupac Shakur was larger than life A gifted rapper actor and poet he was fearless prolific and controversial and often said that he never expected to live past the age of thirty He was right On September 13 1996 he died of gunshot wounds at age twenty five But even ten years after Tupac s tragic passing the impact of his life and talent continues to flourish Lauded as one of the greatest hip hop artists of all time Tupac has sold more than sixty seven million records worldwide making him the top selling rapper ever How Long Will They Mourn Me celebrates Tupac s unforgettable life his rise to fame his tumultuous dark side marked by sex drugs and violence and the indelible legacy he left behind Although Tupac s murder remains unsolved the spirit of this legendary artist is far from forgotten How long will we mourn him Fans worldwide will grieve his untimely death for a long time to come **The New York Public Library African American Desk Reference** New York Public Library,1999-09-30 Covering a wide range of knowledge The New York Public Library African American Desk Reference is a magnificent resource for home family and
