Those Who Are Mad Dag Heward-Mills, 2025-02-12 Just as evil is found in the whole world, madness is also evenly distributed across the planet, and the church is not exempt. Mental health issues are rampant in the church today. It is troubling to see people who were hitherto normal disintegrate into anti-social, irrational, and extremely foolish behaviour because madness goes undetected and undiagnosed. In this masterpiece, world-renowned author Dag Heward Mills outlines the different kinds of mental health issues and how they relate to the church today, simply stated for a lay person to appreciate and understand. Indeed, being able to make a diagnosis of madness will invoke compassion in the person who has understanding. *Inpatient Psychiatric*
