When Opportunity Knocks Hold Hands:

When Opportunity Knocks...Hold Hands Kim Elliott,2015-11-05 Sunsets are like fingerprints They are the fingerprints of God letting us know that He is still in charge at the end of a stressful day Hold the virtual hand of the author and his wife Dee as they journey through opportunities in life that speak of commitment a sense of belonging of encouragement of understanding and who we are in our little corner of the world Isaiah 41 13 says I am the Lord your God who holds your right hand and I tell you don t be afraid I will help you Our society is opportunistic We look for the big opportunities in life and fail to realize that Life itself is made up of many smaller opportunities that shape our lives How we react to the small opportunities will determine how we will react to the big opportunity when it comes along We are so set on finding the big ones we fail to see the little ones ones that we see as little but are actually the ones that give us direction hope and purpose In your hands you hold a partial commentary on Life presented in a fashion to encourage you as the one who experiences Life to take advantage of little opportunities to shape your life by lifting a spirit bonding with a loved one or improving relationships with spouses family and friends These Life benefits will be greatly enhanced if you base your Life on the Creator and Savior of Mankind who gives hope to the individual
