When Critics Ask:

When Critics Ask Norman L. Geisler, Thomas A. Howe, 1992 This comprehensive volume offers clear and concise answers to every major Bible difficulty staunchly defending the authority and inspiration of Scripture *Can Christians Prove the Resurrection?* Sandoval Chris Sandoval, Chris Sandoval, 2010 Christian apologists like Josh McDowell Norman Geisler and William Lane Craig have claimed that the Resurrection of Jesus is the best proved fact of history As they tell the story the original eyewitnesses of the risen Jesus sacrificed their lives for their faith and people who knew Jesus during his lifetime would have challenged any errors in their testimony Allegedly these and many other lines of historical evidence prove the Resurrection beyond a reasonable doubt In *Can Christians Prove the Resurrection* the traditional Christian arguments for the Resurrection are analyzed and critiqued In reality we do not know how most of the apostles met their fates and religious sects like the Kimbanguists and Hasidic Jews have likewise proclaimed miracles and produced martyrs within the lifetimes of eyewitnesses who should have been able to set the record straight These and many other lines of evidence raise copious reasonable doubts regarding the claims of the apologists as this book demonstrates Once all the relevant evidence is examined it becomes clear that there is little likelihood that Jesus of Nazareth arose from the dead or that the Resurrection ever took place *The Clarity of Scripture* James Callahan, 2020-08-31

IS SCRIPTURE CLEAR IF IT IS WHY DO PORTIONS OF IT SEEM SO OBSCURE IF IT ISN'T WHY HAVE THEOLOGIANs SPENT SO MUCH TIME DEFENDING THE NOTION OF ITS CLARITY AND MORE IMPORTANT ARE CHRISTIANs ENGAGED IN A FUTILE EFFORT IN TRYING TO READ AND UNDERSTAND IT JAMES CALLAHAN OFFERS VALUABLE INSIGHT INTO THE COMPLEX NOTION of biblical perspicuity He sets the issues within the history of the church and traces how the Bible's clarity has been understood practically and theologically over time With precision and care he clarifies the role of historical context authorial intent and reader response in a constructive articulation of how we come to understand Scripture's meaning Contemporary literary studies inform his discussion and suggest the importance of intertextuality and intratextuality in the reading of Scripture Ultimately Callahan argues Scripture must be viewed as a privileged text within a privileged community Nevertheless it must be read not arrogantly but with humility under the searching glance of the God who caused it to be written **A Thematic**

Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and

then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease If God, Why Evil? Norman L. Geisler, 2011-02-01 Bestselling author and apologist takes on one of the most difficult questions Christians face How can an omnipotent loving God preside over a world filled with evil and suffering The author s approach is concise systematic and clearly communicated just what Geisler fans have grown to expect In addition to relying on time tested solutions to the problem of evil the author also presents a compelling new way to think about this puzzle

Geisler, 2007 I don t have enough faith to be an

atheist argues that Christianity requires the least faith of all worldviews because it is the most reasonable. The authors lay out the evidence for truth, God, and the Bible in logical order and in a readable, non-technical, engaging style. A valuable aid to those interested in examining the reasonableness of the Christian faith, Geisler and Turek provide a firm challenge to the prior beliefs of doubters and skeptics. *The Case for Christ Bible Study Guide Revised Edition* Lee Strobel, Garry D. Poole, 2013-12-23. Is there credible evidence that Jesus, the carpenter from the ancient town of Nazareth, really is the Son of God? In this video Bible study DVD, digital video sold separately, based on the New York Times bestselling book *The Case for Christ*, participants journey with Lee Strobel on a quest for the truth about Jesus. Skeptics dismiss the Jesus of the Gospels by claiming there is no evidence that he was God's Son. But does their claim hold weight? And if not, what evidence is there, especially outside the Bible? Lee Strobel, a former legal journalist and one-time atheist, presents the findings of his own search for truth. This study guide is ideal for believers who want to learn more about the hard evidence behind their faith, Christians who find themselves becoming uncertain or doubtful, anyone investigating, curious, or even skeptical about Christianity. Sift through historical evidence and passages from a range of theologians, thinkers, philosophers, and laypeople on the topic of Jesus as you weigh compelling expert testimony that rejects easy answers. With discussion prompts, Bible passages, and personal reflection cues facilitated by contributor Garry Poole, Strobel invites you and your group to investigate the truth about Jesus Christ as he leads up to the facts that guided him from atheism to faith in Christ. By the end of this six-session study, groups may very well see Jesus in a new way and even like Strobel find their life transformed. Sessions include: The Investigation of a Lifetime Eyewitness Evidence, Evidence Outside the Bible, Analyzing Jesus Evidence for the Resurrection, Reaching Your Verdict. Designed for use with *The Case for Christ* Video Study 9780310698517, sold separately.
