When General Grant Expelled The Jews Jewish Encounters Series

**Deborah Dash Moore, Jeffrey S.
Gurock, Annie Polland, Howard B.
Rock, Daniel Soyer**

When General Grant Expelled The Jews Jewish Encounters Series:

When General Grant Expelled the Jews Jonathan D. Sarna, 2012 An account of Ulysses S Grant's hotly contested Civil War decision to expel Jewish citizens from the territory under his command evaluates the reverberations of his decision on his career the nascent Jewish American community and the nation's political process By the award winning author of *American Judaism*

When General Grant Expelled the Jews Jonathan D. Sarna, 2016-04-12 On December 17 1862 just weeks before Abraham Lincoln announced the Emancipation Proclamation General Grant issued what remains the most notorious anti Jewish order by a government official in American history His attempt to eliminate black marketeers by targeting for expulsion all Jews as a class from portions of Kentucky Tennessee and Mississippi unleashed a firestorm of controversy that made newspaper headlines and terrified and enraged the approximately 150 000 Jews then living in the United States who feared the importation of European anti-Semitism onto American soil Although the order was quickly rescinded by a horrified Abraham Lincoln the scandal came back to haunt Grant when he ran for president in 1868 Never before had Jews become an issue in a presidential contest and never before had they been confronted so publicly with the question of how to balance their American and Jewish interests Award winning historian Jonathan D Sarna gives us the first complete account of this little known episode including Grant's subsequent apology his groundbreaking appointment of Jews to prominent positions in his administration and his unprecedented visit to the land of Israel Sarna sheds new light on one of our most enigmatic presidents on the Jews of his day and on the ongoing debate between ethnic loyalty and national loyalty that continues to roil American political and social discourse With black and white illustrations throughout [Citizen of a Wider Commonwealth](#) Edwina S. Campbell, 2016-04-07 In 1877 former president Ulysses S Grant along with his family and friends embarked on a two year world tour that took him from Liverpool to Yokohama with stops throughout Europe and Asia Biographies of Grant deal very briefly if at all with this tour and generally treat it as a pleasure trip filled with sightseeing shopping wining and dining Far from an extended vacation however Grant's travels in fact constituted a diplomatic mission sanctioned by the U S government In this revealing volume Edwina S Campbell chronicles Grant's journey the first diplomatic mission ever undertaken by a former U S president and demonstrates how it marked a decided turning point in the role of the United States in world affairs Traveling commercially and on U S Navy warships Grant visited ports of call throughout the British Empire Europe and Asia including Britain France Egypt the Ottoman Empire Greece Italy the Netherlands Germany Scandinavia Russia Spain Portugal Gibraltar Ireland India Singapore Hong Kong China and Japan Along the way he met with monarchs ministers and average citizens creating the model for the summitry and public diplomacy practiced by future American presidents and articulating concepts of national self-determination international organization and the peaceful settlement of international disputes decades before Elihu Root's advocacy of binding international arbitration and Woodrow Wilson's proposal for the League of Nations Campbell reveals Grant to be a skillful

envoy who brought to his travels the deep interest in foreign policy issues he had shown during his administration Grant confirmed the United States commitment to Anglo American cooperation demonstrated America s interest in the territorial integrity of China affirmed American faith in universal male suffrage as the basis for governmental legitimacy and asserted the importance of an international order based on equality and justice for all states and their citizens Grant s efforts shaped not only John Hay s Open Door policy in 1899 1900 but also the broader American approach to twentieth century international relations Throughout the trip Julia Grant proved essential to the success of her husband s mission and Campbell tells how the couple impressed people around the world with an enduring image of an American president and first lady By illuminating the significance of Grant s often overlooked postpresidential travels Citizen of a Wider Commonwealth establishes the eighteenth president as a key diplomat whose work strongly influenced the direction of future U S foreign policy and contributes substantially to the study of American international relations

Exploring American Jewish History through 50 Historic Treasures Avi Y. Decter, 2024-03-05 Exploring American Jewish History through 50 Historic Treasures offers students and general readers new perspectives on the rich complexity of Jewish experiences in America As one of America s most fascinating and enduring minorities American Jews have played key roles in every era of American history and every region of the country The 50 treasures are depicted in full color and range from a family cookbook to a college campus and include items that are iconic ordinary and whimsical Each of the treasures is described in historical material and visual contexts offering readers new unexpected insights into the meanings of Jewish life history and culture

New Perspectives in American Jewish History Mark A. Raider, Gary Phillip Zola, 2022-01-03 New Perspectives in American Jewish History A Documentary Tribute to Jonathan D Sarna compiled by Sarna s former students presents heretofore unpublished neglected and rarely seen historical records documents and images that illuminate the heterogeneity breadth diversity and colorful dynamism of the American Jewish experience

Chosen Capital Rebecca Kobrin, 2012-08-20 At which moments and in which ways did Jews play a central role in the development of American capitalism Many popular writers address the intersection of Jews and capitalism but few scholars perhaps fearing this question s anti Semitic overtones have pondered it openly Chosen Capital represents the first historical collection devoted to this question in its analysis of the ways in which Jews in North America shaped and were shaped by America s particular system of capitalism Jews fundamentally molded aspects of the economy during the century when American capital was being redefined by industrialization war migration and the emergence of the United States as a superpower Surveying such diverse topics as Jews participation in the real estate industry the liquor industry and the scrap metal industry as well as Jewish political groups and unions bent on reforming American capital such as the American Labor Party and the International Ladies Garment Workers Union contributors to this volume provide a new prism through which to view the Jewish encounter with America The volume also lays bare how American capitalism reshaped Judaism itself by encouraging the mass manufacturing

and distribution of foods like matzah and the transformation of synagogue cantors into recording stars These essays force us to rethink not only the role Jews played in American economic development but also how capitalism has shaped Jewish life and Judaism over the course of the twentieth century Contributors Marni Davis Georgia State University Phyllis Dillon independent documentary producer textile conservator museum curator Andrew Dolkart Columbia University Andrew Godley Henley Business School University of Reading Jonathan Karp executive director American Jewish Historical Society Daniel Katz Empire State College State University of New York Ira Katznelson Columbia University David S Koffman New York University Eli Lederhendler Hebrew University Jerusalem Jonathan Z S Pollack University of Wisconsin Madison Jonathan D Sarma Brandeis University Jeffrey Shandler Rutgers University Daniel Soyer Fordham University **Interpreting**

American Jewish History at Museums and Historic Sites Avi Y. Decter, 2016-11-09 Jews are part and parcel of American history From colonial port cities to frontier outposts from commercial and manufacturing centers to rural villages and from metropolitan regions to constructed communities Jews are found everywhere and throughout four centuries of American history From the early 17th century to the present the story of American Jews has been one of immigration adjustment and accomplishment sometimes in the face of prejudice and discrimination This then is a narrative of minority majority relations of evolving norms and traditions of ongoing conversations about community and culture identity and meaning Interpreting American Jewish History at Museums and Historic Sites begins with a broad overview of American Jewish history in the context of a religious culture that extends back more than 3 000 years and which manifests itself in a variety of distinctive American forms This is followed by five chapters each looking at a major theme in American Jewish history movement home life community prejudice and culture The book also describes and analyzes projects by history organizations large and small to interpret American Jewish life for general public audiences These case studies cover a wide range of themes approaches formats The book concludes with a history of Jewish collections and Jewish museums in North America and a chapter on next practice that promote adaptive thinking continuous innovation and programs that are responsive to ever changing circumstances

The Individual in History ChaeRan Y. Freeze, Sylvia Fuks Fried, Eugene R. Sheppard, 2015-06-02 Essays in honor of the scholarly work and institutional leadership of Jehuda Reinharz focusing on the role of the individual in history

American Jewry Christian Wiese, Cornelia Wilhelm, 2016-11-03 American Jewry explores new transnational questions in Jewish history analyzing the historical cultural and social experience of American Jewry from 1654 to the present day and evaluates the relationship between European and American Jewish history Did the hopes of Jewish immigrants to establish an independent American Judaism in a free and pluralistic country come to fruition How did Jews in America define their relationship to the Old World of Europe both before and after the Holocaust What are the religious political and cultural challenges for American Jews in the twenty first century Internationally renowned scholars come together in this volume to present new research on how immigration from Western and Eastern Europe established a new and distinctively American

Jewish identity that went beyond the traditions of Europe yet remained attached in many ways to its European origins

Jewish New York Deborah Dash Moore, Jeffrey S. Gurock, Annie Polland, Howard B. Rock, Daniel Soyer, 2017-10-10 Based on the acclaimed multi volume series *City of Promises A History of the Jews of New York* *Jewish New York* reveals the multifaceted world of one of the city's most important ethnic and religious groups Spanning three centuries *Jewish New York* traces the earliest arrival of Jews in New Amsterdam to the recent immigration of Jews from the former Soviet Union Jewish immigrants transformed New York They built its clothing industry and constructed huge swaths of apartment buildings New York Jews helped to make the city the center of the nation's publishing industry and shaped popular culture in music theater and the arts With a strong sense of social justice a dedication to civil rights and civil liberties and a belief in the duty of government to provide social welfare for all its citizens New York Jews influenced the city state and nation with a new wave of social activism In turn New York transformed Judaism and stimulated religious pluralism Jewish denominationalism and contemporary feminism The city's neighborhoods hosted unbelievably diverse types of Jews from Communists to Hasidim *Jewish New York* not only describes Jews many positive influences on New York but also exposes the group's struggles with poverty and anti-Semitism These injustices reinforced an exemplary commitment to remaking New York into a model multiethnic multiracial and multireligious world city Publisher's description
