ranging topics from airline and funeral food to fad diets and fast food drinks like lemonade Kool Aid and Tang foodstuffs like
 Jell O Twinkies and Spam and Dagwood hoagie and Sloppy Joe sandwiches Did God Kill Jesus? Tony Jones,2015-03-24
 The popular Patheos blogger wants to restore the cross as primarily a symbol of God s overwhelming love for us and to
 rescue Christians from the shame and guilt from seeing our situation as sinners in the hands of an angry God which was an
 invention of the medieval church and became enshrined as orthodox Christianity Many Christians believe that God the Father
 demanded his only Son die a cruel gruesome death to appease His wrath since humanity is so irredeemably sinful and
 therefore repugnant to God Tony Jones popular progressive Christian blogger author and scholar argues that this
 understanding is actually a medieval invention and not what the Bible really teaches He looks beyond medieval convictions
 and liberates how we see Jesus s death on the cross from this restrictive paradigm Christians today must transcend the
 shame and guilt that have shaped conceptions of the human soul and made us fearful of God and replace them with love
 grace and joyfulness which better expresses what the cross is really about How we understand the cross reflects directly
 what kind of God we worship By letting go of the wrathful God who cannot stand to be in our presence unless he pretends to
 see Jesus in our place we discover the biblical God who reaches out to love and embrace us while we were yet sinners Jones
 offers a positive loving inclusive interpretation of the faith that is both challenging and inspiring Did God Kill Jesus is
 essential reading for modern Christians **The Quest** ,2008 **Library Journal** ,2005 **Library Journal** Melvil
