Wounded By Her Guardian:

Wounded by Her Guardian Adam Van Susteren, Ann Phung, James Fleming, Gyorgy Kemenes, 2013-07-07 Attorney Aaron Baker has associated with an attorney organization for ten years before its secretive inner circle starts him on the path to unravel a conspiracy involving the United States Dollar In uncovering the greatest scandal in the history of the United States Aaron Baker and his physician girlfriend must not only battle shadow adversaries and the unknown but also the status of their relationship Fantastic characters Would love to grab a beer with them and hear them tell this believable work of fiction Aaron Hunter author of NumbGripping political issues being tackled with an even more compelling story line Nick Adams author of Exceptional America and America The Greatest Good [The Stigmata: Those Who Bore the Wounds of Christ](#) Deacon Albert E. Graham, 2023-08-10 Whether you are an atheist an agnostic or a true believer and disciple of Jesus Christ you will be mystified at what you learn from The Stigmata The Stigmata examines such other worldly phenomena one could liken it to a spiritual X files episode Christ s death and resurrection was not the end but the beginning for us all Jesus agonizing suffering sacrifice and surrender of his own life opened the gates of heaven to all those willing to follow Him The stigmatics serve as an earthly human reminder of the Divine Jesus obedient holy and sacrificial offering to us The Stigmata is a compilation of some 657 individuals from the 13th to the 21st centuries who have incomprehensibly borne the wounds suffered by Christ The Stigmata discusses many of the stigmatics in biographical detail Some stigmatics are recognized saints such as St Padre Pio and St Therese Neumann Sainted or not all stigmatics suffer in some way like Christ bearing evidence of nail piercings to the hands and feet the crown of thorns and sword laceration near the heart Have there been fraudulent stigmatics Yes and The Stigmata discusses the fakes separating them like wheat from chaff Aside from the painful and bloody wounds these individuals suffer many stigmatics exhibit other miraculous mysteries from levitation and bi location to reading of souls and other human impossibilities The pain the stigmatics have endured is real the phenomena they ve experienced is mystical and their complete impact on the world is known only to God **Revelation, Mystical Phenomena and Divine Promises** Deacon Albert Graham, 2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God **Sunday stories, ed. by H.**
