Transforming Children Into Spiritual Champions:

Transforming Children Into Spiritual Champions George Barna, 2003 The influences bombarding our children's moral development can be deadly But few parents and church leaders realize how critical it is to start developing a child's biblical worldview from the very earliest years of life The church often doesn't realize that a child's moral development is set by the age of nine The answer is for churches to recognize the need to come alongside parents to provide them biblical worldview training parenting information counseling etc that will equip them to help their children become spiritually mature
