Transforming Masculinities Transforming Masculinities:

Transforming Masculinities Vic Seidler, 2006-03-20 Critically exploring the ways in which men and masculinities are commonly theorized this multidisciplinary text opens up a discussion around such relationships and shows that as with feminisms there is a diversity of theoretical traditions It draws on a variety of examples and explores new directions in the complexities of diverse male identities and emotional lives across different histories cultures and traditions This book considers the experiences of different generations explores connections between masculinity and drugs investigates men and masculinities in a post 9 11 world considers new ways of thinking about male violence recognizes the importance of culture and provides spaces to explore different class race and ethnic masculinities Written in a practical versatile manner by an established author in this field it points to new directions in thinking and makes essential reading for advanced undergraduates postgraduates and researchers in the fields of sociology gender studies politics philosophy and psychology

Transforming Masculinities York Matt, Mlibeni Skhumbuzo, 2015-10-19 A growing number of innovative gender transformative programmes targeting men and boys have been developed across sub Saharan Africa One such initiative is the Khanyisa Programme in rural KwaZulu Natal South Africa which utilises the concept of Ubuntu as a lens through which to explore subjects such as masculinity inequality gender violence and HIV AIDS Focusing through transformative learning theory this book explores how socio cultural processes construct societal patterns of masculine domination and related individual masculine identities and examines the use of gender transformative programmes towards the reconstruction of new more equitable gender identities A Khanyisa Programme resource pack is included for facilitators

Theologies and Practices of Inclusion Nina Kurlberg, Madleina Daehnhardt, 2021-10-13 Inclusion has recently become a high priority issue within the development sector brought to the fore by the 2030 Agenda for Sustainable Development s commitment to leave no one behind Practices within the remit of inclusion often focus on increasing access and meaningful participation with emphasis placed on bringing those at the margins to the centre This book challenges such centre focused practices from a global perspective based on research conducted within the Christian relief development and advocacy organisation Tearfund and beyond Offering inspiration for practitioners within the sector and faith based organisations in particular as well as an academic contribution to the fields of international development studies and theology the book aims to bridge theology and practice in an accessible way Consisting of 13 chapters and case studies the book draws on the wisdom of a diverse team of contributors at the forefront of international development working in a variety of contexts These include South Africa Malaysia Sri Lanka Ethiopia Nigeria Kenya Rwanda Ecuador Panama Bolivia the Philippines Iraq Egypt and the UK Highlighting journey change and belonging as three key aspects of inclusion the book explores the outworking of theologies of inclusion within organisational practice With a foreword by Ruth Valerio and an afterword by Catriona Dejean

Transforming Managers Roy Moodley, Stephen Whitehead, 2005-06-23 In the 1990s considerable changes in the political

and social world have impacted on the character of both public and private organizations At a time of increased uncertainty and insecurity in these organizations new ways of managing and being managed have emerged Recognising that organizational life is part reflective and determined by dominant social discourses factors of gender will inevitably be central to the dynamics of organizational change This book addresses theoretical ideas and mythologies in the examination of gendered organizations The need to examine men in relation to family law and society in general is growing and this book extends this interrogation to work and organizational life It will be of interest to students in management studies public sector management and those involved in public policy making as well as students and academics within gender studies and sociology

Re-Thinking Men Anthony Synnott, 2024-05-31 Much writing on men in the field of gender studies tends to focus unduly almost exclusively on portraying men as villains and women as victims in a moral bi polar paradigm Re Thinking Men reverses the proclivity which ignores not only the positive contributions of men to society but also the male victims of life including the homeless the incarcerated the victims of homicide suicide accidents war and the draft and sexism as well as those affected by the failures of the health education political and justice systems Proceeding from a radically different perspective in seeking a more positive balanced and inclusive view of men and women this book presents three contrasting paradigms of men as heroes villains and victims Revised and updated and presenting data and studies from the United States Canada and the United Kingdom it offers a comparative and revised perspective on gender that will be of interest to scholars across a range of social sciences

Social Institutions and Gender Index Man Enough? Measuring Masculine Norms to Promote Women's Empowerment OECD, 2021-03-08 Masculinities can either support or hinder women s empowerment and greater gender equality However a lack of consistent and comparable data hinders efforts to understand and assess harmful restrictive masculinities This report identifies and describes ten norms of restrictive masculinities to be urgently addressed within the political economic and private spheres

[The Oxford Handbook of Transnational Feminist Movements](#) Daniel Beland, Christopher Howard, Kimberly J. Morgan, 2015-02-25 The American welfare state has long been a source of political contention and academic debate This Oxford Handbook pulls together much of our current knowledge about the origins development functions and challenges of American social policy After the Introduction the first substantive part of the handbook offers an historical overview of U S social policy from the colonial era to the present This is followed by a set of chapters on different theoretical perspectives available for understanding and explaining the development of U S social policy The three following parts of the volume focus on concrete social programs for the elderly the poor and near poor the disabled and workers and families Policy areas covered include health care pensions food assistance housing unemployment benefits disability benefits workers compensation family support and programs for soldiers and veterans The final part of the book focuses on some of the consequences of the U S welfare state for poverty inequality and citizenship Many of the chapters comprising this handbook emphasize the disjointed patterns of policy making inherent to U S

policymaking and the public private mix of social provision in which the government helps certain groups of citizens directly e g social insurance or indirectly e g tax expenditures regulations The contributing authors are experts from political science sociology history economics and other social sciences

The Oxford Handbook of Transnational Feminist Movements
 Rawwida Baksh-Soodeen, Wendy Harcourt, 2015 The Oxford Handbook of Transnational Feminist Movements explores the historical political economic and social contexts in which transnational feminist movements have emerged and spread and the contributions they have made to global knowledge power and social change over the past half century The publication of the handbook in 2015 marks the fortieth anniversary of the United Nations International Women s Year the thirtieth anniversary of the Third World Conference on Women held in Nairobi the twentieth anniversary of the Beijing Declaration and Platform for Action and the fifteenth anniversaries of the Millennium Development Goals and of UN Security Council Resolution 1325 on women peace and security The editors and contributors critically interrogate transnational feminist movements from a broad spectrum of locations in the global South and North feminist organizations and networks at all levels local national regional global and glocal wider civil society organizations and networks governmental and multilateral agencies and academic and research institutions among others The handbook reflects candidly on what we have learned about transnational feminist movements What are the different spaces from which transnational feminisms have operated and in what ways How have they contributed to our understanding of the myriad formal and informal ways in which gendered power relations define and inform everyday life To what extent have they destabilized or transformed the global hegemonic systems that constitute patriarchy From a position of fifty years of knowledge production activism working with institutions and critical reflection the handbook recognizes that transnational feminist movements form a key epistemic community that can inspire and provide leadership in shaping political spaces and institutions at all levels and transforming international political economy development and peace processes The handbook is organized into ten sections each beginning with an introduction by the editors The sections explore the main themes that have emerged from transnational feminist movements knowledge theory and praxis organizing for change body politics health and well being human rights and human security economic and social justice citizenship and statebuilding militarism and religious fundamentalisms peace movements UNSCR 1325 and postconflict rebuilding feminist political ecology and digital age transformations and future trajectories

Making Sense of Fatherhood Tina Miller, 2010-11-18 As family and work demands become more complex who is left holding the baby Tina Miller explores men s experiences of fatherhood and provides unique insights into paternal caring changing masculinities and men s relations to paid work She focuses on the narratives of a group of men as they first anticipate and then experience fatherhood for the first time Her original longitudinal research contributes to contemporary theories of gender against a backdrop of societal and policy change The men s journeys into fatherhood are both similar and varied and they illuminate just how deeply gender permeates individual lives everyday practices and societal assumptions

around caring for young children This book acts as a companion to Making Sense of Motherhood Cambridge University Press 2005 and together these innovative studies reveal how gendered practices around caring become enacted **The Routledge Companion to Marketing and Feminism** Pauline Maclaran,Lorna Stevens,Olga Kravets,2022-02-25 This comprehensive and authoritative sourcebook offers academics researchers and students an introduction to and overview of current scholarship at the intersection of marketing and feminism In the last five years there has been a resurrection of feminist voices in marketing and consumer research This mirrors a wider public interest in feminism particularly in the media as well as the academy with younger women discovering that patriarchal structures and strictures still limit women s development and life opportunities The F word is back on the agenda made high profile by campaigns such as MeToo and TimesUp There is a noticeably renewed interest in feminist scholarship especially amongst younger scholars and significantly insightful interdisciplinary critiques of this new brand of feminism including the identification of a neoliberal feminism that urges professional women to achieve a work family balance on the back of other women s exploitation Consolidating existing scholarship while exploring emerging theories and ideas which will generate further feminist research this volume will be of interest to researchers academics and students in marketing and consumption studies especially those studying or researching the complex inter relationship of feminism and marketing
