Creating New Languages of Resistance Omid Tofighian, 2025-04-30 Omid Tofighian has been engaged in collaborative philosophical artistic and political work with displaced exiled and incarcerated peoples for 25 years These interdisciplinary and transdisciplinary collaborations include co authoring different genres of writing in English co creation and translation into English and shared intellectual and artistic projects The most notable example is his translation and collaboration in Behrouz Boochani's award winning book *No Friend but the Mountains* Writing from Manus Prison 2018 *Creating New Languages of Resistance* is an intellectual and personal reflection on creative resistance it addresses critical

issues pertaining to epistemic injustice kyriarchy and border violence Incorporating scholarship different literary genres exclusive interviews media articles and notes on translation this rigorous and accessible study examines the shared philosophical activity Tofighian participates in with different collaborators It suggests experimental and collaborative ways for producing and analysing similar texts and cultural productions creates new spaces and frameworks for thinking about displacement and exile and raises compelling questions and issues for people interested in researching and working to end border violence bordering and intersectional discrimination Presenting a special rationale and philosophical vision about collaboration and co creation in extreme situations this is key reading for students scholars and general readers interested in critical and cultural border studies translation studies public philosophy literatures of resistance coloniality and decoloniality identity and positionality **Dignity in the Egyptian Revolution** Zaynab El Bernoussi,2021-07 Examining the concept of dignity or karama in Arabic this provides insights into protesters motives in participating in the 2011 Egyptian revolution

Creative Radicalism in the Middle East Caroline Rooney,2020-06-11 Addressing the question of how neoliberal ideology has served to conflate the radical left with extremism this book examines how the Arab left has asserted itself in the context of authoritarianism and Islamic extremism during and after the Arab uprisings It examines how the Arab cultural left has offered a critique of the signifying practices of political hegemonies in the region and argues that though creative expression as constituted in the very language of the Arab uprisings it has put forward its own alternatives Using a wide array of texts and sources both Arab and non Arab the opening chapters of the book identify how ethical and radical values pertaining to sociality are co opted by political leaders in the Middle East and turned into jargon Later chapters outline resistance to this co option through a poetics of inter subjectivity that takes structures of feeling into account ranging from disappointment despair and distrust to dignity solidarity and reconfigured senses of the sacred In showing how psychological and affective states relate to signifying practices the book offers an original conceptual framework for differentiating radicalization from the creative radicalism of the Arab avant garde Women Resisting Sexual Violence and the Egyptian Revolution Manal

Hamzeh,2020-06-25 Women were at the forefront of the Egyptian Revolution in 2011 with the Arab Spring protests providing an unprecedented opportunity to make their voices heard But these women also faced an intense backlash from Egypt s patriarchal authorities with female activists subjected to sexual violence and intimidation by the regime and even fellow protestors Centered on the testimonies of four women who each played a significant role in the protests this book provides unique insight into women s experiences during the Egyptian Revolution and into the methods of resistance these women developed in response to sexual violence In the process Hamzeh casts new light on the relationship between gendered and state violence and argues that women s resistance to this violence is reshaping gender relations in Egypt and the wider Arab world *The Routledge Handbook of Translation, Feminism and Gender* Luise von Flotow,Hala Kamal,2020-06-09 The Routledge Handbook of Translation Feminism and Gender provides a comprehensive state of the art overview of feminism

and gender awareness in translation and translation studies today Bringing together work from more than 20 different countries from Russia to Chile Yemen Turkey China India Egypt and the Maghreb as well as the UK Canada the USA and Europe this Handbook represents a transnational approach to this topic which is in development in many parts of the world With 41 chapters this book presents discusses and critically examines many different aspects of gender in translation and its effects both local and transnational Providing overviews of key questions and case studies of work currently in progress this Handbook is the essential reference and resource for students and researchers of translation feminism and gender
