Translation And Violent Conflict Translator Studies In Intercultural Communication:

Translation and Violent Conflict Moira Inghilleri, Sue-Ann Harding, 2010-01-30 First Published in 2010 Translators and interpreters are frequently found at the centre of attempts to wage war or negotiate peace between opposing factions Translation and interpreting also serve a vital function in communicating a conflict locally and globally as interested parties attempt to legitimize their actions appeal for assistance and enlist support for their cause and the condemnation of their stated enemy The unavoidable independent exercises of judgement that interpreters and translators make through their participation in or re narration of a conflict and the decisions that go with them provide clear and strong evidence for the lead role in the construction of meanings and identities that interpreters and translators assume in situations of conflict irrespective of their historical or geopolitical setting This special issue of *The Translator* explores the role of translators and interpreters in a number of conflicts from the 20th century to the present Drawing on fictional and non fictional texts legal and peacekeeping settings and reports from war zones contributors to this volume explore the overlapping themes of mediation agency and ethics in relation to translators and interpreters as they negotiate the political social cultural linguistic and ethical factors that converge often dangerously in situations of armed conflict [The Routledge Handbook of Translating and Interpreting Conflict](#) Marija Todorova, Lucía Ruiz Rosendo, 2025-11-28 The Routledge Handbook of Translating and Interpreting Conflict offers a comprehensive exploration of the roles translators and interpreters play in conflict settings Spanning diverse geographical regions and historical periods this volume examines how language professionals contribute to military operations humanitarian aid peacebuilding and asylum processes The Handbook addresses pressing issues such as the recruitment and protection of interpreters ethical dilemmas emotional and psychological challenges and the evolving use of technology in conflict zones It also includes emerging topics such as the role of women interpreters the translation of peace agreements and the impact of environmental conflicts Drawing on a wide range of case studies from the medieval Iberian peninsula to the ongoing conflict in Ukraine the book blends historical insights with contemporary examples offering a truly global perspective Methodologically diverse chapters range from archival research and ethnographic studies to interviews memoir and documentary film analyses and micro histories of individual interpreters This volume is an essential resource for researchers practitioners students and anyone interested in understanding how language shapes and responds to the complexities of conflict It highlights the critical yet often overlooked contributions of translators and interpreters in some of the world's most challenging situations **The Routledge Handbook of Translation, Interpreting and Crisis** Christophe Declercq, Koen Kerremans, 2023-12-22 This handbook offers a broad ranging overview of the study of translating and interpreting in conflict and crisis settings and takes the field in new directions Covering a wide selection of multimodal contexts that build on the fundamentals of translation interpreting and their in between hybrid forms of mediation the handbook is divided into four parts The opening part covers

perspectives on policy and practices whether contemporary or historical and cases truly span the globe from Peru and Brazil over Belgium and Sierra Leone to Australia Japan and Hong Kong International developments require profound considerations about the professionalisation of access to language in times of crises not least in contexts of humanitarian negotiation or conflict zone interpreting these form the second part The subsequent part deals with spheres of community in which language needs are positioned within frames of agency positionality and trust and the challenges that these face The contributions build on cases where interpreters act as catalysts for translation needs in settings of humanitarian aid and beyond The final part considers language strategies and solutions in crises This handbook is the essential guide to translation and interpreting in conflict and crisis settings for advanced students and researchers of translation and interpreting studies and will be of wide interest in peace studies political science and beyond The Palgrave Handbook of Languages and Conflict Michael Kelly, Hilary Footitt, Myriam Salama-Carr, 2019-02-18 This Handbook maps the contours of an exciting and burgeoning interdisciplinary field concerned with the role of language and languages in situations of conflict It explores conceptual approaches sources of information that are available and the institutions and actors that mediate language encounters It examines case studies of the role that languages have played in specific conflicts from colonial times through to the Middle East and Africa today The contributors provide vibrant evidence to challenge the monolingual assumptions that have affected traditional views of war and conflict They show that languages are woven into every aspect of the making of war and peace and demonstrate how language shapes public policy and military strategy setting frameworks and expectations The Handbook's 22 chapters powerfully illustrate how the encounter between languages is integral to almost all conflicts to every phase of military operations and to the lived experiences of those on the ground who meet work and fight with speakers of other languages This comprehensive work will appeal to scholars from across the disciplines of linguistics translation studies history and international relations and provide fresh insights for a broad range of practitioners interested in understanding the role and implications of foreign languages in war **Intercultural Crisis Communication**

Christophe Declercq, Federico M. Federici, 2019-11-14 Intercultural Crisis Communication poses pertinent questions and provides powerful responses to crises that have characterised the modern world since 2010 Language mediation in situations of disaster emergency and conflict is an under developed area of scholarship in Translation Studies This book responds to a clear need for research drawn from practical experiences in the field and explores the crucial role of translation interpretation and mediation in contexts of crises Particular consideration is given to situations where rare or minority languages represent a substantial obstacle to humanitarian operations Contemporary case studies from the USA Africa Europe and Armenia provide major examples of crisis communication that call for more efficient language mediation Such examples include Syrian displacement the refugee crisis in Croatia and Italy international terrorism and national public administration interpreting in conflict and for M decins sans Fronti res as well as the integration of refugee doctors for

employment in the UK With contributions from experts in the field this volume is of international relevance and provides a multifaceted overview of intercultural communication issues and remedies during crises **The Bloomsbury Companion to Language Industry Studies** Erik Angelone, Maureen Ehrensberger-Dow, Gary Massey, 2019-11-14 This volume provides a comprehensive overview of the key issues shaping the language industry including translation interpreting machine translation editing terminology management technology and accessibility By exploring current and future research topics and methods the Companion addresses language industry stakeholders researchers trainers and working professionals who are keen to know more about the dynamics of the language industry Providing systematic coverage of a diverse range of translation and interpreting related topics and featuring an A to Z of key terms The Bloomsbury Companion to Language Industry Studies examines how industry trends and technological advancement can optimize best practices in multilingual communication language industry workspaces and training Communication, Interpreting and Language in Wartime Amanda Laugesen, Richard Gehrmann, 2019-10-18 This edited book provides a multi disciplinary approach to the topics of translation and cross cultural communication in times of war and conflict It examines the historical and contemporary experiences of interpreters in war and in war crimes trials as well as considering policy issues in communication difficulties in war related contexts The range of perspectives incorporated in this volume will appeal to scholars practitioners and policy makers particularly in the fields of translating and interpreting conflict and war studies and military history *The Routledge Handbook of Translation and Methodology* Federico Zanettin, Christopher Rundle, 2022-03-10 The Routledge Handbook of Translation and Methodology provides a comprehensive overview of methodologies in translation studies including both well established and more recent approaches The Handbook is organised into three sections the first of which covers methodological issues in the two main paradigms to have emerged from within translation studies namely skopos theory and descriptive translation studies The second section covers multidisciplinary perspectives in research methodology and considers their application in translation research The third section deals with practical and pragmatic methodological issues Each chapter provides a summary of relevant research a literature overview critical issues and topics recommendations for best practice and some suggestions for further reading Bringing together over 30 eminent international scholars from a wide range of disciplinary and geographical backgrounds this Handbook is essential reading for all students and scholars involved in translation methodology and research For Russia with Hitler Oleg Beyda, 2024-08-30 The Bolshevik takeover of Russia created an alternative Russia in exile that never laid down its arms For two decades expelled White Russians sought ways to retaliate against the Soviet Union and return home Their irreconcilability was galvanized by a superstructure the dominant military organization the Russian All Military Union ROVS Eventually militant anti Bolshevism led the exiled Russians into alliance with Nazi Germany despite the latter's anti Slavic stance For Russia with Hitler tells the story of how thousands of White Russian migrants joined the German invasion of the Soviet Union as soldiers translators and

civilian workers Oleg Beyda investigates and contextualizes migr collaboration with National Socialist Germany explaining how it was possible for Russians to fight against the Russians The book reveals that the exiles although united ideologically by Russian nationalism in a general sense did not establish one single clear cut political solution for a future liberated Russia Drawing on wide archival material For Russia with Hitler details the background and ideological framework of the migr s how they rationalized their support for Nazism and what they did on the Eastern Front including their reactions to life in occupation war crimes and the Holocaust

The Routledge Handbook of Translation and Ethics Kaisa Koskinen, Nike K. Pokorn, 2020-12-16 The Routledge Handbook of Translation and Ethics offers a comprehensive overview of issues surrounding ethics in translating and interpreting The chapters chart the philosophical and theoretical underpinnings of ethical thinking in Translation Studies and analyze the ethical dilemmas of various translatorial actors including translation trainers and researchers Authored by leading scholars and new voices in the field the 31 chapters present a wide coverage of emerging issues such as increasing technologization of translation posthumanism volunteering and activism accessibility and linguistic human rights Many chapters provide the first extensive overview of the topic or present new takes on established areas The book is divided into four parts with the first covering the most influential ethical theories Part II takes the perspective of agents in different contexts and the ethical dilemmas they face while Part III takes a critical look at central institutions structuring and controlling ethical behaviour Finally Part IV focuses on special issues and new challenges and signals new directions for further study This handbook is an indispensable resource for all students and researchers of translation and ethics within translation and interpreting studies multilingualism and comparative literature
