Telling How to Trap, Snare, Poison and Shoot A. R. Harding,2021-04-25 In Fox Trapping A Book of Instruction Telling
How to Trap Snare Poison and Shoot A R Harding presents a comprehensive guide that intricately explores fox trapping
techniques while intertwining practical instructions and anecdotal elements With a keen eye for detail Harding adopts a clear
didactic style that echoes the early 20th century literature on outdoor survival and trapping situating his work within a
growing tradition of American wilderness literature He meticulously covers various methods including trapping snaring
poison application and shooting making his book an essential resource for both novices and seasoned hunters alike The text
reflects a deep understanding of animal behavior and habitat emphasizing ethical hunting practices in a time when outdoor
survival skills were paramount for subsistence lifestyles Harding s background as an avid outdoorsman and trapper informs
his writing revealing a blend of practical knowledge and passion for wildlife management Living during an era marked by
environmental change and burgeoning industrialization Harding sought to preserve the deep rooted traditions of trapping
and promote respect for nature through responsible practices His insights reveal a connection to the land that is both
personal and pedagogical encouraging readers to engage with their environment thoughtfully This book is highly
recommended for anyone interested in learning the art of fox trapping as it serves not only as an instructional manual but
also as a testament to the profound relationship between humans and nature Harding s work is indispensable for trappers

outdoors enthusiasts and those curious about traditional survival techniques offering invaluable wisdom that stands the test of time In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read *Deadfalls and Snares* Arthur Robert Harding,2013-05-22

Scattered from the Arctic Ocean to the Gulf of Mexico and from the Atlantic to the Pacific Ocean are thousands of trappers who use deadfalls snares and other home made traps but within this vast territory there are many thousand who know little or nothing of them The best and most successful trappers are those of extended experience Building deadfalls and constructing snares as told on the following pages will be of value to trappers located where material saplings poles boards rocks etc is to be had for constructing The many traps described cannot all be used to advantage in any section but some of them can More than sixty illustrations are used to enable the beginner to better understand the constructing and workings of home made traps The illustrations are mainly furnished by the old timers Chapters on Skinning and Stretching Handling and Grading are added for the correct handling of skins and furs adds largely to their commercial value A R Harding
