Craig, 2016 **Trauma-Sensitive Schools** Susan Craig, 2016 Growing evidence supports the important relationship between trauma and academic failure Along with the failure of zero tolerance policies to resolve issues of school safety and a new understanding of children s disruptive behavior educators are changing the way they view children s academic and social problems In response the trauma sensitive schools movement presents a new vision for promoting children s success This book introduces this promising approach and provides K 5 education professionals with clear explanations of current research and dozens of practical creative ideas to help them Integrating research on children s neurodevelopment and educational best practices this important book will build the capacity of teachers and school administrators to successfully manage the behavior of children with symptoms of complex developmental trauma Kudos Susan Craig has done it again After *Reaching and Teaching Children Who Hurt* she has written a book that will help administrators and educators truly make schoolwide trauma sensitivity a regular part of the way their schools are run A major contribution to education reform Susan Cole director Trauma and Learning Policy Initiative Massachusetts Advocates for Children and Harvard Law School Dr Craig s message is clear that promoting self reflection self regulation and integration gives traumatized children the chance at learning that they re not getting in traditional approaches And she bravely points out that it s critical for teachers to recognize the toll that this emotional work can take and the need for self care Being mindful of both the importance of trauma sensitive systems and the enormity of the task of helping vulnerable children build resilience is so critical for everyone working with and caring for our children Julie Beem MBA Executive Director of the Attachment Trauma Network Inc *Trauma-Sensitive Schools* Colleen Lelli, 2020-12-07 Trauma Sensitive Schools The Importance of Instilling Grit Determination and Resilience is written with the consideration of the important and

effective role educators and other staff who work with children every day can have on children of trauma Daily supportive interactions from caring adults can bring healing while using strategies in a school setting that can promote learning for children of trauma The purpose of this book is to both support schools in their creation of trauma sensitive school systems and classrooms and provide practical strategies for educators to implement in the classroom The strategies provided will support children and young people in their learning their self regulation and relationship skills Skills such as grit determination and resilience can be taught and this book will provide all readers with ways to support children of trauma The importance of understanding how trauma impacts cognitive behavioral and social growth is emphasized with key terms outlined and discussed This text is applicable for any pre service teacher studying to become an educator as well Self care strategies for educators are also included to reduce the risk of secondary trauma and to effectively teach all children but especially children of trauma

Trauma-Sensitive Schools for the Adolescent Years Susan E. Craig, 2017-09-08 The trauma sensitive schools movement is the result of a confluence of forces that are changing how educators view students academic and social problems including the failure of zero tolerance policies to resolve issues of school safety bullying and academic failure as well as a new understanding of adolescents disruptive behavior In this follow up to her bestseller Trauma Sensitive Schools Susan Craig provides secondary school teachers and administrators with practical ideas for how to improve students achievement by implementing a trauma sensitive approach to instruction Along with clear explanations of the role that childhood adversity and trauma play in determining academic success readers will find dozens of concrete strategies to help them View poor academic and social progress through a trauma sensitive lens Create a school climate that fosters safety and resiliency in vulnerable teenagers Establish relationships with students that support their efforts to self regulate Design instruction that reflects the social nature of the brain Work with the brain s neuroplasticity to increase adolescents executive functioning Reduce teacher attrition in high risk schools by decreasing secondary traumatic stress Influence educational reforms by aligning them with current research on childhood trauma and its effects on learning Book Features Provides an overview of the effects of three types of trauma on adolescent development early childhood adversity community violence and systemic inequities Links the effects of trauma on students cognitive development to educational reform efforts Integrates research on adolescents neurodevelopment and current educational best practices Builds the capacity of education professionals to successfully manage the behavior of adolescents with symptoms of complex developmental trauma

Trauma-Informed Practice in Montessori Classrooms Bernadette Phillips, Catriona O'Toole, Sinéad McGilloway, Stephen Phillips, 2024-12-12 Trauma Informed Practice in Montessori Classrooms provides important historical and contemporary evidence of the potential for Montessori schools to act as healing environments for children and young people Drawing upon fascinating archival evidence and contemporary trauma theory it shows how authentic Montessori schools already have the infrastructure to promote and embed trauma informed practice TIP in their classrooms The book

provides cutting edge interdisciplinary knowledge on trauma and highlights its potential to negatively impact the emotional social and cognitive functioning of children and young people It explains clearly and precisely the principles of TIP and how historically these were woven into the fabric of the early Montessori schools resulting in their reputation as Case della Salute or Health Homes The book shows how this almost forgotten healing element of Montessori schools can be revived harnessed and promoted in ways that would benefit the overall health and well being of children and young people This timely book is highly informative hugely practical and reader friendly It includes features such as boxed chapter objectives learner outcomes vignettes chapter summaries and questions for group discussion It provides an invaluable guide for Montessori teachers and students for home educators using the Montessori approach and for non Montessori educators and parents

Homelessness and Housing Insecurity in Higher Education Ronald E. Hallett, Rashida Crutchfield, 2018-01-24 Both colleges and policymakers recognize the importance of supporting students experiencing homelessness in higher education The challenges involve both addressing issues of college access as well as developing strategies to support retention and degree completion once enrolled This volume explores how homelessness intersects most social issues that marginalize individuals and negatively influence postsecondary completion including poverty foster care and LGBTQ discrimination As becomes evident students experiencing homelessness should be considered in conversations about equity and access For these students completing some form of degree or certification beyond high school is a vital step in achieving future stability Topics covered include how residential experiences influence educational engagement and retention an overview of research related to housing insecurity in higher education federal and state policies related to homelessness in higher education a trauma informed care approach to this issue an approach to understanding and studying housing insecurity among students ideas that will be necessary for policy and program development

Schools of Opportunity Adam York, Kevin Welner, Linda Molner Kelley, 2023 The National Education Policy Center's Schools of Opportunity project was designed to highlight public high schools that are using research based practices for closing opportunity gaps in student learning The project recognizes schools that are working to address the needs of all students regardless of their zip codes or their school's average test scores By embracing a shift away from the nation's myopic focus on standardized test scores the program's focus is on inputs access to equitable exemplary policies and practices that students experience every school day not outcomes This follows from research findings that schools alone cannot fix the problems created by the stark inequalities in our society Instead schools should be expected to do their part by responding to inequities with research based practices The book features case studies of schools that demonstrate key criteria that other schools can emulate such as an inclusive school climate support for language minority students performance based assessment teacher professionalism a commitment to detracking and supports for students in need Schools of Opportunity builds an argument for shifting the way that excellent public high schools are recognized and built Book Features Provides accounts of school reform jointly told by researcher practitioner

teams connecting current research with successful efforts of educators to create outstanding learning environments Brings together the voices of principals and school leaders who share stories of how their work has unfolded in their school district and state contexts Identifies the school leadership and teacher practices that close opportunity gaps for student learning and what it takes to implement them Contributors Dwane Chapelle Janet Eckerson Lourenco Garcia Matt Garcia Kristen Goessling Kimberly Grayson Jill Gurtner Ted Hamann Ann Ishimaru Mark Larson Julie Mead John Murphy Jeannie Oakes Jeff Palladino Derek Pierce Jenifer Rayne Kellie Rolstad Lorrie Shepard Kate Somerville Michelle Valladares Kathryn Wiley
