Bergmann,1995 Entiendes is literally translated as Do you understand Do you get it But those who do get it will also hear within this question a subtler meaning Are you queer Are you one of us The issues of gay and lesbian identity represented by this question are explored for the first time in the context of Spanish and Hispanic literature in this groundbreaking anthology Combining intimate knowledge of Spanish speaking cultures with contemporary queer theory these essays address texts that share both a common language and a concern with lesbian gay and bisexual identities Using a variety of approaches the contributors tease the homoerotic messages out of a wide range of works from chronicles of colonization in the Caribbean to recent Puerto Rican writing from the work of Cervantes to that of the most outrageous contemporary Latina performance artists This volume offers a methodology for examining work by authors and artists whose sexuality is not so much open as an open secret respecting for example the biographical privacy of writers like Gabriela Mistral while responding to the voices that speak in their writing

Contributing to an archeology of queer discourses *Entiendes* also includes important studies of terminology and encoded homosexuality in Argentine literature and Caribbean journalism of the late nineteenth century Whether considering homosexual panic in the stories of Borges performances by Latino AIDS activists in Los Angeles queer lives in turn of the century Havana and Buenos Aires or the mapping of homosexual geographies of 1930s New York in Lorca's Ode to Walt Whitman *Entiendes* is certain to stir interest at the crossroads of sexual and national identities while proving to be an invaluable resource
