Lifesigns Sheila Garcia, 2010-02 What is a soul What makes one soul different from another What happens to the soul when a person dies Lifesigns follows the journey of Dr Elizabeth McClellan as she searches for answers to these ancient questions Grounded in science Elizabeth had never believed in paranormal activity That conviction changes when shadows of past lives break into her present life Everywhere she turns signs suddenly appear and every answer she uncovers only

produces more questions This labyrinth of cryptic messages takes Elizabeth to Louisville Kentucky and across the ocean to England as she chases the specters that invade even her sleep By the end of Lifesigns you too will view the world around you in a different way Your novel Lifesigns is a fascinating story It encompasses both the present and a fine understanding of past history Your attention to detail regarding customs and lifestyles of the Victorian era is appreciated How you thread the two together is interesting and entertaining This was a book I was always trying to second guess but couldn't The ending definitely warrants a sequel Thanks for the enjoyable read Phillip E Fresno Ca Lifesigns has made me take a closer look at my own life's journey at myself and those people and events that have made me who I am This book certainly makes me consider déjà vu moments in a completely different light And as for those times when I look at someone and ask have we met before hmmm I wonder Sue F Cambria Ca Forget about your plans for the day prepare to get lost in Lifesigns This was a book I could not put down until I was done The attention to detail makes you feel like you are taking the journey with Elizabeth The end leaves you wanting to continue the journey A must read Heather K Gilroy Ca Lifesigns wove a thread of events that held my interest as I followed the characters through contemporary and past life experiences It was a good reminder to pay attention to the subtle underlying events that present themselves in the form of intuition dreams and the illusive form of inner knowing Kristie M Cave Junction Or I loved the relationships in Lifesigns especially between the main character and her best friend I could relate to them because they were the way real families are It's a feel good book and the marvelous descriptions gave me picture after picture of Elizabeth's travels through time and place I can't wait to share it with my friends Anne B Houston Tx Bombs and Babies Peter J Cooper, 2017-03-07 This book reproduces and expands upon the author's mother's diary that she kept from 1942 through 1945 while she lived in England For most of that time she resided in eastern Surrey about 20 miles from the southern outskirts of London As part of Bomb Alley her area of the county experienced air raids as well as V1 and V2 attacks She was a war bride having been married in 1940 to a Canadian army officer who served on the staff of the 1st Canadian Army in England France and Holland The author has extensively annotated the diary entries and added considerable historical background in relation to both domestic and military matters The book describes in detail what life was like for a woman starting a family and keeping house in the English countryside during World War 2 and how different were lifestyles then from what they are today In revisiting the circumstances surrounding his and his sister's birth the journey for the author was one of personal revelation as well as historical interest

Read On ... Romance C. L. Quillen, Ilene N. Lefkowitz, 2014-06-18 With thousands of romance novels published each year librarians especially those unfamiliar with or indifferent to the genre can benefit from this well organized reference that offers scores of appeals based read alike lists for some of the most popular contemporary romance fiction As romance publishing continues to flourish readers and readers advisors are faced with increasingly complex reading choices This book helps adult and teen readers quickly find the books they love to read identifies other titles with shared qualities for more

reading suggestions and provides librarians with carefully reviewed read alike lists that they can use with confidence. Featuring romance novels published from 2000 to the present day, this useful guide offers you hundreds of reading suggestions covering a wide variety of themes from the most popular to the more obscure. Library professionals and romance fans C L Quillen and Ilene Lefkowitz use informal and sometimes whimsical terminology to create unique thematic lists that are targeted to the way romance readers think, offering such lively categories as Rx for Love and Romancing the Stove. The authors organize the titles into five sections according to language, setting, character, story, and mood. Subgenres covered include historical, regency, paranormal, and romantic suspense, making it simple for you to find recommended titles appropriate for your readers' needs.
