NICHOLAS H. TEICH

FOREWORD BY JAMISON GREEN

Transgender 101 A Simple Guide To A Complex Issue By Nicholas M Teich

Sacha M. Coupet, Ellen Marrus

Transgender 101 A Simple Guide To A Complex Issue By Nicholas M Teich:

Transgender 101 Nicholas Teich, 2012-03-06 Written by a social worker popular educator and member of the transgender community this resource combines a portrait of transgenderism with a history of transgender life and its unique experiences of discrimination Chapters introduce transgenderism and its psychological physical and social processes describe the coming out process and its effect on family and friends discuss the relationship between sexual orientation and gender and explore the differences between transsexualism and lesser known types of transgenderism Each chapter explains how transgender individuals handle their gender identity how others view it within the context of non transgender society and how the transitioning of genders is made possible Featuring men who become women women who become men and those who live in between and beyond traditional classifications this book is written for students professionals friends and family members From publisher description

Transgender 101 Nicholas M Teich, 2012-03-13 Written by a social worker popular educator and member of the transgender community this well rounded resource combines an accessible portrait of transgenderism with a rich history of transgender life and its unique experiences of discrimination Chapters introduce transgenderism and its psychological physical and social processes They describe the coming out process and its effect on family and friends the relationship between sexual orientation and gender and the differences between transsexualism and lesser known types of transgenderism The volume covers the characteristics of Gender Identity Disorder Gender Dysphoria and the development of the transgender movement Each chapter explains how transgender individuals handle their gender identity how others view it within the context of non transgender society and how the transitioning of genders is made possible Featuring men who become women women who become men and those who live in between and beyond traditional classifications this book is written for students professionals friends and family members

Transforming Austen Hartke, 2018-04-07 In 2014 Time magazine announced that America had reached the transgender tipping point suggesting that transgender issues would become the next civil rights frontier Years later many people even many LGBTQ allies still lack understanding of gender identity and the transgender experience Into this void Austen Hartke offers a biblically based educational and affirming resource to shed light and wisdom on this modern gender landscape Transforming The Bible and the Lives of Transgender Christians provides access into an underrepresented and misunderstood community and will change the way readers think about transgender people faith and the future of Christianity By introducing transgender issues and language and providing stories of both biblical characters and real life narratives from transgender Christians living today Hartke helps readers visualize a more inclusive Christianity equipping them with the confidence and tools to change both the church and the world

Children, Sexuality, and the Law Sacha M. Coupet, Ellen Marrus, 2015-05-22 American political and legal culture is uncomfortable with children's sexuality While aware that sexual expression is a necessary part of human development law rarely contemplates the complex ways in which it interacts with children and sexuality Just as the law circumscribes children

to a narrow range of roles either as entirely sexless beings or victims or objects of harmful adult sexual conduct so too does society tend to discount the notion of children as agents in the domain of sex and sexuality Where a small body of rights related to sex has been carved out the central question has been the degree to which children resemble adults not necessarily whether minors themselves possess distinct and recognized rights related to sex sexual expression and sexuality Children Sexuality and the Law reflects on some of the unique challenges that accompany children in the broader context of sex exploring from diverse perspectives the ways in which children emerge in sexually related dimensions of law and contemporary life It explores a broad range of issues from the psychology of children as sexual beings to the legal treatment of adolescent consent This work also explores whether and when children have a right to expression as understood within the First Amendment The first volume of its kind Children Sexuality and the Law goes beyond the traditional discourse of children as victims of adult sexual deviance by highlighting children as agents and rights holders in the realm of sex sexuality and sexual orientation Case Studies in Clinical Practice with Trans and Gender Non-Binary Clients lore m.

dickey,2021-04-21 Exploring clinical examples of the lived experiences of trans people across the lifespan this unique and authoritative book addresses topics such as attending school puberty employment issues suicide bullying autism and intersecting identities Divided into three sections childhood adolescence and adulthood the book brings the case studies to life and dispels common myths by including short responses from leading professional experts By enabling a greater knowledge of work with trans people and therefore filling an important gap in available literature Case Studies in Clinical Practice with Trans and Gender Non Binary Clients allows mental health providers to understand the nuanced differences of handling clinical concerns for their trans clients *Understanding Transgender Identities* James K. Beilby,Paul Rhodes Eddy,2019-11-05 One of the most pressing issues facing the evangelical church today involves dramatic shifts in our culture s perceptions regarding human sexuality While homosexuality and same sex marriage have been at the forefront there is a new cultural awareness of sexual diversity and gender dysphoria The transgender phenomenon has become a high profile battleground issue in the culture wars This book offers a full scale dialogue on transgender identities from across the Christian theological spectrum It brings together contributors with expertise and platforms in the study of transgender identities to articulate and defend differing perspectives on this contested topic After an introductory chapter surveys key historical moments and current issues four views are presented by Owen Strachan Mark A Yarhouse and Julia Sadusky Megan K DeFranza and Justin Sabia Tanis The authors respond to one another s views in a respectful manner modeling thoughtful dialogue around a controversial theological issue The book helps readers understand the spectrum of views among Christians and enables Christian communities to establish a context where conversations can safely be held

Traversing Gender Lee Harrington,2016-05-01 In the current age of gender identity and transgender awareness many questions are coming to light for everyone Whether brought about by media and cultural attention or personal journeys

individuals who have never heard of transgender transsexual or gender variant people can feel lost or confused Information can be hard to find and is often fragmented or biased Meanwhile trans people are getting a chance to dialogue with each other and finally be heard by the world at large In *Traversing Gender Understanding Transgender Realities* author Lee Harrington helps make the intimate discussions of gender available for everyone to understand Topics include What the words trans transgender mean differences and crossovers between sex gender and orientation the wide array and types of trans experiences social networking and emotional support systems for trans people navigating medical care from the common cold to gender specific procedures what transitioning looks like from a variety of different approaches how legal systems interplay with gender and trans issues extra challenges based on gender race class age and disability skills and information on being a successful trans ally Bringing these personal matters into the light of day this reader friendly resource is written for students professionals friends and family members as well as members of the transgender community itself

A Brief Guide to Ministry with LGBTQIA Youth Cody J. Sanders, 2017-09-04 Despite our best efforts to create welcoming and affirming congregations the reality is that church can still be a harmful place to LGBTQIA youth Inside *A Brief Guide to Ministry with LGBTQIA Youth* author Cody J Sanders challenges pastors and church leaders to reflect on the various trials that adolescence brings for LGBTQIA youth Designed for congregations that currently have a theologically and biblically affirming stance toward the LGBTQIA community this unique resource provides insight and practical advice for tough questions like How does an affirming stance toward LGBTQIA people affect the day to day experience of teenagers in a church setting In what ways can a church's youth ministry have a positive impact on the lives of LGBTQIA youth who want to fully live out their Christian faith and their gender identity How can a pastor youth minister or youth ministry volunteer embrace nurture and provide skillful care for LGBTQIA youth in a congregation or community A glossary of terms to use when talking about LGBTQIA issues and a list of national and location resources that can be used to support LGBTQIA youth are included

Trans Kids and Teens Elijah C. Nealy, 2017-05-02 A comprehensive guide to the medical emotional and social issues of trans kids These days it is practically impossible not to hear about some aspect of transgender life Whether it is the bathroom issue in North Carolina trans people in the military or on television trans life has become front and center after years of marginalization And kids are coming out as trans at younger and younger ages which is a good thing for them But what written resources are available to parents teachers and mental health professionals who need to support these children Elijah C Nealy a therapist and former deputy executive director of New York City's LGBT Community Center and himself a trans man has written the first ever comprehensive guide to understanding supporting and welcoming trans kids Covering everything from family life to school and mental health issues as well as the physical social and emotional aspects of transition this book is full of best practices to support trans kids

This is a Book for Parents of Gay Kids Dannielle Owens-Reid, Kristin Russo, 2014-09-09 Written in an accessible Q A format here finally is the go to resource for parents

hoping to understand and communicate with their gay child Through their LGBTQ oriented site the authors are uniquely experienced to answer parents many questions and share insight and guidance on both emotional and practical topics Filled with real life experiences from gay kids and parents this is the book gay kids want their parents to read
