Travels Through Sacred China:

Travels Through Sacred China Martin Palmer, 1996 To walk through China is to walk on holy ground *Travels Through Sacred China* is a guide to the soul of China It is also a guidebook which enters into the spirit of Tao **Shanghai & Surroundings Travel Adventures** Simon Foster, 2011-04-15 Eastern China is the country's boom belt and its heart is the Pearl of the Orient Shanghai a city which was recently wonderfully described to me as Hong Kong on steroids Shanghai is the country's most modern city but manages to retain both its Chinese and European history and its economic development is also helping a renaissance in culture and the arts along with a shopping and nightlife scene matched only by Beijing and Hong Kong Around Shanghai the Water Towns have picturesque canals lined with classic Ming architecture and can make for great day trips and a little further out the city of Suzhou offers more of the same albeit on a larger scale along with some of the country's finest gardens and the opportunity for some serious silk shopping Nearly 100 miles south along the Grand Canal the former Southern Song dynasty 1126-1279 capital of Hangzhou is set on pretty West Lake and is a prime tea growing region Away from the lake the city is much like any other Chinese city but the surrounding countryside and its smattering of temples and tea villages make for some excellent bike rides Some 110 miles west of Hangzhou Huangshan is arguably the most beautiful of eastern China's mountains and offers the region's finest scenery and best hiking The mountain's mist shrouded jagged peaks lone pines and perched temples are straight from a watercolor and it's no wonder Huangshan attracts so many visitors But fortunately there are enough paths to ensure you can always find yourself a quiet spot Known as the Pearl of the Orient Shanghai has endured a boom bust cycle like no other city in China and is a must see for a glimpse into the China of the future It currently has some 20 million residents A walk along the Bund on the banks of the Huangpu River offers a cityscape to rival Hong Kong's taking in the glory of Shanghai's colonial past while at the same time giving views across the river to the city of tomorrow Pudong Less than 20 years ago this was just marshy farmland but today it boasts countless skyscrapers among them China's highest tower the Pearl Oriental TV Tower and loftiest lodgings the 88 floor Grand Hyatt Traditional Chinese sights are a little sparse due to Shanghai's comparative youth but its colonial and revolutionary history over the past 150 years has left it with a series of significant political buildings What is more there are modern activities aplenty reflecting the city's dynamic and modern heart fine dining nightlife shopping and a kaleidoscope of exhibition centers and good museums await This a highly detailed guide to everything you need to know about Shanghai and its surroundings the places to stay the restaurants and what to see and do along with an extensive introductory section on China as a whole The author lives in China and has been a tour guide there full time for close to 10 years This guide is an excerpt from his much larger guide to all of China also published by Hunter which is 650 pages in the print edition

China's Three Gorges, Xi'an and the Terracotta Warriors Simon Foster, Vivien Lougheed, 2009-10-15 This guide is based on our much larger 530 page guide to Bolivia Here we zero in on La Paz the capital and all of the nearby attractions La

Paz is not a big city on the world scale but it is certainly one of the more interesting ones Built in a bowl created by the Choqueyapu River the upper parts of the city stand 1 645 ft 500 m above the lower sections Unlike any other city in the world the richer neighborhoods are located at the lower levels This is partly due to the fact that it is warmer and easier to breathe at the lower altitudes Also the pinnacles and spires of conglomerate rock and clay that have been sculptured by wind and water make a dramatic backdrop for those living below them The higher up the bowl one goes the more unstable the land becomes and the more likely a landslide will occur The plazas squares and Prado are well kept in La Paz and even in the depth of winter plants are tended to help make the city attractive Street cleaners are out every day and local merchants regularly wash the area in front of their shops On a clear day Mount Illimani a snow covered monolith can be seen as a sentry towering over the city Valley of the Moon is six miles 10 km from the center of La Paz and can be reached by joining a tour or by taking micro bus 11 or minibus 231 or 273 to Mallasilla The hillside features a maze of clay canyons and pinnacles that have been sculpted by wind and rain Narrow trails through the landscape take about an hour to walk There is also a cactus park just before the entrance The park overlooks a gorge and has paths leading around numerous types of cacti As you continue up the road you will come to Parque Nacional Mallasa with its bird observatory and across the road the zoo area The road passes under natural stone bridges and past Chulpani s Red Hill There is no mistaking which hill this is From Mallasa one can see across the river to the highest golf course in the world Devil s Tooth or Muela del Diablo is a huge volcanic plug sticking out of the landscape to a height of 13 000 ft 3 950 m Several trails go to the right follow the one that obviously leads to the village From there go to the left for 3 miles about half a kilometer to the foot of the rock Climbers are occasionally found on the east face Canyon de Palca or Valle de Animas is a deep canyon that was carved by the Rio Palca centuries ago To get there take a bus going to Huni from Plaza Belzu on Avenida Mexico in San Pedro There are huge pinnacles and wind carved conglomerates The trail continues along the bottom of the canyon to a natural obelisk Just past the obelisk is a rock that has the appearance of a human hiding in a cave The rock is called the hermit of the canyon Continue along the canyon to its end and climb to your left up to the village of Palca This is a long day hike All of the detailed information you need is here about the hotels restaurants shopping sightseeing But we also lead you to new discoveries turning corners you haven t turned before helping you to interact with the world in new ways That s what makes our Adventure Guides unique An excellent addition to the Adventure Guide series packed with detail from where to stay and eat to where to shop for local crafts and how to enjoy historic sites This guide surveys the wildlife and outdoor opportunities of the country which range from tropical jungle to high plains deserts Hiking and viewing opportunities blend with cultural insights Highly recommended The Midwest Book Review

Hong Kong & Macau Travel Adventures Simon Foster, 2011-04-15 Fly into Hong Kong and spend a few days discovering its diverse attractions from shopping in bustling Kowloon to hiking along one of the islands well marked lush trails Eat dim sum downtown and head up Victoria Peak for an after dinner drink to remember

Take a boat or a train to Guangzhou and sample yet more Cantonese delights along with some fine colonial architecture maybe stopping off in modern Shenzhen for a peek at the new China From Guangzhou take a bus train or flight to Guilin and spend a day visiting its mountainous and man made attractions The following morning take a boat along the Li River to Yangshuo where you can spend the next few days hiking and cycling through the famed idyllic limestone scenery Head back to Guilin for the return flight to Hong Kong Take the ferry over to Macau and enjoy a day or two soaking up the splendid architecture fine cuisine small fishing villages temples and beaches Whether flying into the vast ultra modern Chek Lap Kok Airport and being whisked into the city center on the hi tech ultra fast Airport Express or arriving by boat at the China Ferry Terminal Hong Kong with its population of seven million never fails to impress You instantly know you re somewhere special particularly the first time you lay eyes on the spectacle of the skyscraper filled island from the Kowloon side After weeks or months on the road in China Hong Kong is the perfect spot for some dining shopping and splurging But if it s the great outdoors you re after there are plenty of hikes and beaches in the territory as well Hong Kong is a place where even the mildest exploration can offer stark contrast and both traditional Chinese and colonial history lurk beneath the city s slick modern exterior Whether swimming in the sea or hiking an island trail to a small shrine through lush tropical undergrowth on one of the outlying islands it s difficult to imagine that the gleaming skyscrapers are only a short boat ride away Forty miles across the water Macau also served its time as a colony and its Portuguese history has engendered a laid back ambiance unique in China which remains to this day despite a recent building boom Walking through the architectural monuments of Macau s stunning historic center you d easily believe you were in Lisbon were it not for the occasional Taoist temple Conversely a trip out to the islands will take you on a journey into Macau s casino laden future at Cotai and then back to its past amidst the small fishing villages and beaches of yesteryear on Coloane This a highly detailed guide to everything you need to know about Hong Kong Macau and their surroundings the places to stay the restaurants and what to see and do along with an extensive introductory section on China as a whole The author lives in China and has been a tour guide there full time for close to 10 years This guide is an excerpt from his much larger guide to all of China also published by Hunter which is 650 pages in the print edition **Travels Around the World** William Henry Seward,1873 **William H.**

China's Pearl River Delta, Guangzhou & Shenzhen Simon Foster,2010-09-14 The economic heart of South China the Pearl River Delta is both agriculturally and financially fertile and is one of the most developed parts of China Intensely cultivated land is interspersed with some of China s newest and fastest growing cities which are linked by some of the country s best and most integrated transport services The Delta s location makes it a popular trip from Hong Kong and a major gateway to enter China itself Foremost among the Delta s gang of youthful upstart cities is Shenzhen which was the first of China s

Special Economic Zones SEZs and has grown from nothing to challenge the traditional heart of the region Guangzhou in less than 30 years While Shenzhen has little in the way of historic sights it offers shopping skyscrapers and theme parks along with some insight as to what China's future looks like Seventy miles to the north Guangzhou has a longer history but is also reaping the economic whirlwind It's definitely worth a quick stop for its blend of Cantonese cuisine markets colonial relics and the gritty taste of a real Chinese city With a population of seven million and long known in the West as Canton modern Guangzhou provides many visitors with their first glimpse of a mainland Chinese city Frenetically busy polluted and steamily hot in summer Guangzhou's conventional sights are comparatively sparse but the city is renowned worldwide for its cooking and is worth visiting on these grounds alone Before Hong Kong rose to prominence Guangzhou was one of China's primary trading posts and as a result it has a wide ethnic diversity including a large Hui Muslim population and a smattering of colonial architecture much of which is found on charming Shamian Island Guangzhou is at the heart of the south's economic revolution Although it is still undoubtedly a polluted city attention is being paid to the environment albeit often only in the most aesthetic sense Every time I visit I notice new areas of greenery and the city is becoming more and more visitor friendly There is an ever expanding subway network a new airport and improved links with other Pearl River Delta destinations There are also a host of sights to visit within a two hour transport radius of Guangzhou and the city makes a good base from which to explore smaller towns such as Huizhou and Zhaoqing This guide is based on our 640 page China Adventure Guide Following are some reviews of that book We travel to grow Adventure Guides show you how Experience the places you visit more directly freshly intensely than you would otherwise sometimes best done on foot in a canoe or through cultural adventures like art courses cooking classes learning the language meeting the people This can make your trip life changing unforgettable All of the detailed information you need is here about the hotels restaurants shopping sightseeing But we also lead you to new discoveries turning corners never before turned helping you learn about the world in a new way Adventure Guides make that possible Having traveled extensively through China over many years I can see the book's intimacy not only with the locations but also with the locals in each place The author reveals the secrets that he's learned from his long association with China Jason Williams Managing Director Grasshopper Adventures A thorough guide not only to traveling in China but also to the country's history and culture this should satisfy the novice and seasoned traveler alike Each city and region is covered from all angles including activities for those traveling with children An informative read for those unfamiliar with the country and an excellent way to brush up for the more experienced traveler this is an excellent guide for planning a China vacation Publishers Weekly [Sacred Mountains of the World](#) Edwin Bernbaum,2022-03-10 A fascinating exploration of the symbolism of mountains in the mythologies religions literature and art of cultures around the world
