Treason Don Fulsom, 2015-06-05 I do solemnly swear that I will faithfully execute the Office of President of the United States and will to the best of my Ability preserve protect and defend the Constitution of the United States Oath of Office of the President of the United States Right hand held high Richard M Nixon was sworn into the office he had already betrayed In the months before the 1968 election Nixon and his allies including the Dragon Lady Anna Chennault and Henry Kissinger collaborated with foreign nationals to undermine Pres Lyndon B Johnson s Vietnam peace talks in order to curry public favor for Nixon and his secret plan to bring an end to the Vietnam War Nixon s sabotage extended the brutal conflict ultimately costing thousands of lives This incisive account reveals the true Nixon and shakes the fundamental trust we place in our leaders

Nixon's Darkest Secrets Don Fulsom, 2024-09-04 Fulsom digs deeper into the mire of the Nixon presidency a book which bristles with revelations about the most disgraced American leader in history Muriel Dobbin author and former White House correspondent Richard Nixon left the White House in 1974 as our most disgraced president but the American people never knew the full extent of his demons deceptions paranoia prejudices hatreds and chicanery Calling on his work in covering Nixon scores of interviews with members of Congress White House staffers and others close to our nation s thirty seventh president and invaluable newly declassified documents and recordings veteran journalist Don Fulsom sheds new light on Tricky Dick The author s revelations include That the future president sabotaged the 1968 peace talks for political gain By the time Nixon became president in 1969 he had linked to the mob for more than two decades and as president had a close connection with New Orleans boss Carlos Marcello the most powerful Mafioso in the nation The president had a drinking problem and top aides referred to him as Our Drunk Nixon had a misogynist streak and was abusive toward first lady Pat Nixon The intimate and possibly homosexual nature of Nixon s relationship with confidante Charles Bebe Rebozo a banker with mob ties Testimony alleging that the president had ordered the killing of White House reporter Jack Anderson Fulsom s examination of these and other startling aspects of Nixon s personal and political dimensions paint an unflinching portrait of a leader who was once the most powerful man in the world Nixon s Darkest Secrets provides a chilling final chapter in literature on our most troubled president

United States Presidential Elections , The Mafia's President Don Fulsom, 2017-11-14 The first ever full account of Nixon s extensive ties to the American Mafia from a veteran White House reporter Unbeknownst to most people even now the election of 1968 placed the patron saint of the Mafia in the White House In other words Richard Nixon would go on to not only lead a criminal presidency he would be totally indebted to our nation s top mobsters By 1969 thanks in large part to his long time campaign manager and political advisor Murray Chotiner a lawyer

who specialized in representing mobsters Nixon had participated in secret criminal dealings for more than 20 years with sketchy figures such as Mickey Cohen Mob financial guru Meyer Lansky Teamsters union chief Jimmy Hoffa and New Orleans Mafia boss Carlos Marcello And with Chotiner as one of his key behind the scenes advisors in the White House Nixon's ties to the Mafia didn't end there The Mafia's President reveals a mind blowing litany of favors Nixon exchanged with these sinister characters over decades ranging from springing Jimmy Hoffa from prison to banning the federal government from using the terms Mafia and La Cosa Nostra Drawing on newly released government tapes documents and other fresh information The Mafia's President by Don Fulsom offers a carefully reported deeply researched account of Richard Nixon's secret connections to America's top crime lords

The Kremlinologist Jenny Thompson, Sherry Thompson, 2018-03 The Kremlinologist chronicles major events of the Cold War through the prism of the life of one of its top diplomats Llewellyn Thompson His life went from the wilds of the American West to the inner sanctums of the White House and the Kremlin As the ambassador to Moscow he became an important advisor to presidents and a key participant in major twentieth century events including the Cuban Missile Crisis and the Vietnam War Yet unlike his contemporaries McGeorge Bundy and George C Marshall who considered Thompson one of the most crucial actors in the Cold War and the unsung hero of the Cuban Missile Crisis he has not been the subject of a major biography until now Thompson's daughters Jenny Thompson Vukacic and Sherry Thompson set out to document their father's life as thoroughly as possible Relying on primary sources and interviews they received generous assistance from archivists historians and colleagues of their father They also acquired documents and information from Russian archives including the KGB archives As family they had unprecedented access to his FBI dossier State Department personnel files family archives letters diaries speeches and documents Their original research brings new material to light including important information on the U 2 Kennan's containment policy and Thompson's role in US covert operations machinery The book refutes historical misinterpretations of events in the Berlin Crisis the Austrian State Treaty and the Cuban Missile Crisis Provided by publisher

Who Owns Democracy? Charles Derber, Yale R. Magrass, 2024-08-07 This book uniquely reverses today's MAGA conspiratorial concept of the deep state to reveal how a very real deeper state is

evident throughout history back to the founding of American democracy Class and caste based elites and their political allies have held dominant power in the US Large corporations Wall Street and other sectors of the capitalist class outsource day to day governance to the mainstream political parties which can compete vigorously and create a credible veneer of civil liberties and electoral democracy disguising and legitimating the deep state But it is a shallow democracy since the deep state sets boundaries on policies and choices to serve itself It also denies a universal franchise and obstructs the voting rights of people of color the poor and other communities threatening to the deep state Moreover the deep state constrains civic governance in the workplace and community denying virtually all working people democratic control over their economic and social life Shallow democracy has a long history Two embryonic deep states a Northern capitalist deep state and a Southern slave based deep state came together in a tense and unstable union to create and govern the US While the Confederate deep state which we call proto American fascism was defeated in the Civil War it left a deep imprint on the culture and politics of millions of Americans and has resurged again in Trumpism The shallow democracy of the capitalist deep state has survived previous challenges but it lacks the deep roots that guarantees its survival The authors point to prospects for meaningful change arising from the extreme economic chasm dividing the nation economically and racially and from existential crises of the survival of democracy and of a sustainable planet They discuss strategy that might finally move the nation beyond MAGA toward deep democracy

Nixon's White House Wars Patrick J. Buchanan, 2018-04-03 From Vietnam to the Southern Strategy from the opening of China to the scandal of Watergate Pat Buchanan speechwriter and senior adviser to President Nixon tells the untold story of Nixon s embattled White House from its historic wins to its devastating defeats In his inaugural address Nixon held out a hand in friendship to Republicans and Democrats alike But by the fall of 1969 massive demonstrations in Washington and around the country had been mounted to break his presidency In a brilliant appeal to what he called the Great Silent Majority Nixon sent his enemies reeling Vice President Agnew followed by attacking the blatant bias of the media in a fiery speech authored and advocated by Buchanan And by 1970 Nixon s approval rating soared to 68 percent and he was labeled The Most Admired Man in America Then one by one the crises came from the invasion of Cambodia to the protests that killed four students at Kent State to race riots and court ordered school busing Buchanan chronicles Nixon s historic trip to China and describes the White House strategy that brought about Nixon s 49 state landslide victory over George McGovern in 1972 When the Watergate scandal broke

Buchanan urged the president to destroy the Nixon tapes before they were subpoenaed and fire Special Prosecutor Archibald Cox as Nixon ultimately did in the Saturday Night Massacre After testifying before the Watergate Committee himself Buchanan describes the grim scene at Camp David in August 1974 when Nixon's staff concluded he could not survive In a riveting memoir from behind the scenes of the most controversial presidency of the last century Nixon's White House Wars reveals both the failings and achievements of the 37th President recorded by one of those closest to Nixon from before his political comeback through to his final days in office
