Treasure In Heaven The Biblical Teaching About Money Finances And Possessions:

Treasure in Heaven Virgil Vogt, 2007-02-01 Where is your treasure The scriptural teaching about money is clear radical and uncompromising and at odds with the practice of most people This presents an uncomfortable question do we change our lives in accordance with Scripture or do we change Scripture to fit our lives Virgil Vogt argues that we undermine Scripture s authority when we disregard its teaching about wealth or when we conclude that such teaching cannot be applied in a complex modern economy The Bible Vogt says is still the best guide to economic life Scripture teaches a consistent word about our possessions we are to use the things we have to gain eternal riches This teaching coupled with the principle of stewardship should govern our economic lives But it takes courage along with genuine faith and a single minded determination to live according to the Bible s standard in this area *Treasure in Heaven* offers a challenge for all Christians who want to bring their finances into line with God s Word

Passing the Plate Christian Smith, Michael O Emerson, Patricia Snell, 2008-09-29 *Passing the Plate* shows that few American Christians donate generously to religious and charitable causes This eye opening book explores the reasons behind such ungenerous giving the potential world changing benefits of greater financial giving and what can be done to improve matters By illuminating the social and psychological forces that shape charitable giving *Passing the Plate* is sure to spark a much needed debate on a critical issue
