Northern Hero Legends Otto Luitpold Jiriczek, 1902 The Mythical Hero's Otherworld Chronicles: Volume 1
Tatematsuri, 2022-12-01 Unexpectedly summoned to the world of Aletia from modern day Japan Hiro Oguro soon discovers this isn't his first visit As the legendary Hero King Mars he once ruled battlefields conquered nations and founded the continent spanning Grantzian Empire before giving up all memories of his hard won glory to return home to his old life Now he's back a thousand years after he left and his legacy is in peril The Grantzian Empire creaks under a warmonger's rule while ambitious royals squabble for power and foreign nations sharpen their swords After a chance encounter with Princess Elizabeth von Grantz draws him into a cutthroat struggle for imperial succession Hiro must don the mantle of the War God once more Can he live up to his own legend now that Aletia needs him again **A COMPARATIVE STUDY OF ALTAIC MYTHOLOGIES IN CHINA** G. Namjil, Wang Ruli, 2023-08-28 Lending support to the search for the roots of the Altaic language family and pushing forward the field of Altaic mythologies and related topics this comprehensive study of the early beliefs of China's Altaic peoples is the first thorough systematic academic treatment in this as yet underdeveloped research field While discussing nine types of Altaic mythologies A Comparative Study of Altaic Mythologies in China uses primary sources in several languages to explore Altaic myths origins development over centuries lineage relationships and external influences For this purpose it compares the mythologies of various ethnic groups within the Altaic language family Altaic mythologies with those of other cross language and cross cultural ethnic groups having direct indirect or even no cultural exchanges with them in history as well as Altaic mythologies with folklore religion and other interdisciplinary domains of Altaic Studies by applying the theories and methods of comparative literature studies comparative folklore studies and comparative mythology to a vast collection of mythological materials As wide ranging as it is deeply researched this serious exploration of Altaic Studies breaks the boundaries of the previously closed research model expands theoretical horizons broadens the research scope introduces a new mechanism for understanding myths and co cultures of the Altaic language family and offers insight toward the reconstruction of Proto Altaic Mythology Christopher Marlowe Robert A. Logan, 2017-03-02 In uncovering the origin of the designation University Wits Bob Logan examines the characteristics of the Wits and their influence on the course of Elizabethan drama For the first time Christopher Marlowe is placed in the context of the six University Wits where his reputation stands out as the most prominent and the impact of his university education on his works is clarified The essays selected for reprinting assess the most significant scholarship written about Marlowe including biographical studies challenges to familiar assumptions about the poet playwright and his works compositions on groupings of his works on individual works and on subjects particular to Marlowe Unique in its perspective and in the collection of essays this book will interest all students and scholars of Renaissance poetry drama and specialized cultural contexts The Calcutta review, 1921 *Heroines, Heroes and Deity* Dolores G. Kamrada, 2016-08-11 Kamrada's study

analyses three narratives concerning the greatest heroic figures of the biblical tradition Jephthah's daughter Samson and Saul and includes a consideration of texts about King David All three characters are portrayed as the greatest and most typical and exemplary heroes of the heroic era All three heroes have an exceptionally close relationship with the deity all die a traditionally heroic tragic death Kamrada argues that within the Book of Judges and the biblical heroic tradition Jephthah's daughter and Samson represent the pinnacle of female and male heroism respectively and that they achieve super human status by offering their lives to the deity thus entering the sphere of holiness Saul's trajectory by contrast exemplifies downfall of a great hero in his final irreversible separation from God and it also signals the decline of the heroic era David however is shown as an astute hero who founds a lasting dynasty thus conclusively bringing the heroic era in the Deuteronomistic history to a close
