because otherwise HD s only people Lea would be headless and useless for HD Lea is surrounded by a flock of sheep which always want to eat meadows and drive through tunnels The sheep include the beautiful Marilyn a cuddly sheep named Gerlinde Her little thing and last but not least a black sheep named Kamikaze Kamikaze is the only one allowed to sit next to Lea on the passenger seat This is essential because Lea has an excavator driver s license but not a tractor driver s license That s why she always drives straight ahead and avoids curves Lea actually wants to become an animal keeper later because she loves animals more than anything To do this she must be able to read and write perfectly But she only learns that in school But school sucks Only the long break is absolutely cool where Lea meets her Sammy Timmy and his buddies are always teasing the little girls but Lea fights back So it comes back to solid fights between them again and again This usually ends up with the headmaster or with the school nurse for further treatment Leo's Triumph Julius Lorenz,2024-05-02 The world of the Zodiacs is threatened by a force that has not been present for the last 1000 years Leo is the only one who can save it He needs to be as brave as ever and show the universe what he is made of This book is perfect for all of our little lions but also suited for every other zodiac child in our realm that wants to get his fellows to know better and dive into a world of adventure friendship and mystery Labyrinth of Vengeance Yeong Hwan Choi,2024 Divine Noblelady's Mystique Volume 1 Meng Xixi,2023-07-19 A formidable woman warrior faced adversity her fortunes turned unexpectedly and she found herself recast as the most blessed Cautious lady in history Determined to assert herself and make a new start she inadvertently provoked the attention of the most formidable individual in court Prime minister Do you wish to become my bewitching princess my dear Cautious lady How could I dare to refuse One of the high points of this book is its intriguing character conception a general s daughter a prince s strategist a king The heroine navigates her way to survival in ancient times using modern thinking eventually becoming a woman strategist In the process she recognizes her wisdom fosters a spirit of gender equality It underscores that our heroine remains unbowed and unyielding unencumbered by feudal etiquette her authentic self shining through In terms of plot both the male and female protagonists bear the weight of restoring their country and seeking revenge Their partnership as a warrior and a cunning strategist is persuasive The resistance they face from royal families of different nations further amplifies the tribulations of their destiny In the end they attain their rightful positions and become a couple bringing the tale to a satisfying conclusion
