Treating Sexually Abused Boys Lisa Camino, 1999-11-19 A Practical Hands On Resource Treating Sexually Abused Boys is a much needed resource that offers clinical guidelines for addressing the unique needs of this population. Written by an expert in the field of childhood sexual abuse, the book contains a wealth of exercises and activities that can be effectively applied in individual and group therapy settings. The techniques and exercises outlined are specifically designed to help sexually abused boys overcome feelings of helplessness, fear, and vulnerability and regain a sense of personal power. Treating Sexually Abused Boys offers relevant and comprehensive guidance for all mental health professionals who work with children and adolescents. The ready to use therapeutic activities make it an invaluable resource for today's busy clinician. Tim Bynum, program director, Sexual Abuse Treatment Services for YWCA of Kauai, Hawaii. Camino has written a practical, easily understood guide for those who work with boys affected by sexual abuse. Both the experienced therapist and the newcomer will find it helpful. Mic Hunter, author of Abused Boys: The Neglected Victims of Sexual Abuse and editor of The Sexually Abused Male Volumes I & II. If you have ever shrunk away from working with boy victims of sexual abuse out of fear of the subject's complexity or your own uncertainty, this book is a must read. It combines practicality with a refreshing directness in teasing apart some of the intricacies of power and vulnerability as those issues play out with this tragically underserved population. Eugene Porter, author of Treating the Young Male Victim of Sexual Assault.

Healing Sexually Betrayed Men and Boys Richard B. Gartner, 2017-08-09 Healing Sexually Betrayed Men and Boys: Treatment for Sexual Abuse, Assault, and Trauma is the new authoritative source for treatment of sexually victimized men and boys. Male victims and survivors of sexual trauma lived in shadow until the turn of the 21st century when scandal after scandal about the sexual abuse of boys and men shed light on their suffering. These men and boys require different treatment roadmaps than their female counterparts. Yet there is little in the professional literature to help a clinician work with sexually traumatized boys and men. Richard B. Gartner is a seasoned psychologist, psychoanalyst who has worked therapeutically with sexually abused men for over three decades. He is a clinician, advocate, teacher, lecturer, and nationally and internationally recognized expert on the subject. Dr. Gartner's classic book Betrayed as Boys: Psychodynamic Treatment of Sexually Abused Men is one of the few written to guide clinicians. Now, nearly two decades after writing that
