## **Trinidad And Tobago Culture Smart The Essential Guide To Customs And Culture:**

**Trinidad & Tobago - Culture Smart!** Tim Ewbank, Culture Smart!, 2011-04-01 The twin Caribbean islands of Trinidad and Tobago could hardly be more different Trinidad is vibrant cosmopolitan culturally diverse and multiethnic with a population descended from East Indian African Spanish French Dutch American Chinese Syrian and English forebears This potent mix finds full expression in unbridled revelry each February with the celebration of Carnival a dazzling open to all comers mass participation street extravaganza of steel bands calypso dance and the magnificent costumed bands playing mas short for masquerade Tobago by contrast is much quieter predominantly rural and a tranquil tropical idyll Both islands have a history of slavery and indentured labor that even today engenders a determination in the people to live life as they choose rather than to order Trinis are by nature friendly outgoing and hospitable They are slow to anger and quick to walk away from confrontation They have an infectious joie de vivre and a laid back attitude to time which foreigners can sometimes find frustrating Culture Smart Trinidad and Tobago explores the codes and paradoxes of Trinbagonian life describing the many and varied traditions customs and cultures of its diverse society It outlines the contrasting histories of the two islands and opens a window into people s private lives showing how they interact socially and their attitudes to people who are from foreign It offers practical advice from business tips to how to play mas at Carnival It aims to make that first trip to the two islands as rewarding as possible by taking you beyond the stereotypes to the real people

**Trinidad and Tobago - Culture Smart!** Tim Ewbank, 2011 The essential guide to customs culture Cover Historical Dictionary of Trinidad and Tobago Rita Pemberton, Debbie McCollin, Gelien Matthews, Michael Toussaint, 2018-03-19 As separate entities and later a unified state the Caribbean islands of Trinidad and Tobago boast very unique histories Initially claimed by the Spanish in 1498 these territories were affected by the imperialist thrusts of various European nations including the French British and Dutch The mercantilist infiltrations of these groups particularly in the 18th century led to the islands belated development as sugar producers and particularly Trinidad as a cradle of migration World War II and the development of the oil and tourism industries in the 20th century transformed the economies culture and society of these islands The country has been one of the most important in the region in relation to economic and political leadership and as a centre of cultural development Historical Dictionary of Trinidad and Tobago contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Trinidad and Tobago

Mauritius - Culture Smart! Tom Cleary, Culture Smart!, 2011-04-01 Mauritius is a conundrum A small exotic multiethnic island nation in the Indian Ocean to some it is a multicultural rainbow a haven of peace love and understanding Others see it as ethnically divided cultivating only sugarcane and prejudice Opinions differ as to whether it is a Creole island a Hindu dominated Little India or a neo colonial outpost of the French speaking world Optimists see it as the

biggest social and economic miracle of the post colonial world whereas pessimists believe it to be a social accident waiting to happen For many visitors Mauritius appears to be a carefree tropical paradise but its complexity will baffle any foreigner who dares to leave the comfort of the luxury beach resort Daily life is far from idyllic for the majority of the population struggling to reconcile traditional culture and old ethno religious antagonisms with the demands of the modern world Mauritius is a very new nation formed over the past three centuries Although the South and East Asian influence is very strong its most defining characteristic is its very multiculturalism Its traditions reflect the diversity of the people and Mauritian language food and religion form an intoxicating medley Other customs have been created locally and are shared by all such as the lively and popular musical tradition of sega Modernization and global economics mean many younger Mauritians now share a common culture and outlook on life where the sense of being Mauritian outweighs ancestral ties and divisive communalism Culture Smart Mauritius will help you make sense of the modern and the traditional of shared and ancestral culture and enable you to navigate your way through the contradictions at the heart of modern Mauritius Show the expected courtesy and respect and you will meet many extraordinary warm hearted patient and friendly people who are keen to welcome outsiders from any part of the world

**Jamaica - Culture Smart!** Nick Davis,Culture Smart!,2011-04-01 Don't just see the sights get to know the people Laid back sun drenched tropical paradise or hotbed of drug related crime and violence Neither stereotype is true Jamaica suffers from a PR problem created largely by tabloid headlines written thousands of miles away The reality is more complex and far more fascinating Jamaicans have a fire that has been hard to douse It was burning when their forefathers arrived on slave ships barely alive after the middle passage and it was there when they fought the British to a standstill in the Maroon Wars In the English speaking Caribbean they have a reputation for being brash but they also have a warmth that is unmatched They are unafraid to talk to strangers they'll laugh at nearly anything they'll discuss and debate with passion and they'll let you know it straight Despite real economic and social problems this beautiful and invigorating country regularly ranks among the top five happiest nations in the world in the annual Happy Planet Index Culture Smart Jamaica takes you beyond the clichés with a fresh uniquely well informed look at one of the most intriguing countries in the region Have a richer and more meaningful experience abroad through a better understanding of the local culture Chapters on history values attitudes and traditions will help you to better understand your hosts while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas
