Jonathan Edwards on Beauty Owen Strachan,Douglas Sweeney,2010-01-21 Beauty is hard to describe but easy to identify It resides in expected and unexpected places in our world Beauty is present in our world in a variety of forms Yet while the average person might think about the reality of beauty from time to time few people would think about the source of beauty Where does beauty come from Why is it here Several hundred years ago Jonathan Edwards did some thinking of his own on this difficult subject This volume explores his meditation on the subject and lays out a Christian framework for understanding and experiencing the beauty God has planted in His world Edwards found in the study of beauty the person of God Where Edwards saw beautiful images and acts he saw a representation a small picture of a reality too great to comprehend a God too majestic to adequately adore He sets in motion a path of glory that begins with the Lord moves to creation continues to the incarnation of Christ moves to the church and ascends to the glory of heaven where the Holy Trinity dwells Easily accessible and readable you do not need to be a scholar to enjoy these insights about Jonathan Edwards and his writings

Jonathan Edwards on Heaven and Hell Owen Strachan, Douglas Sweeney, 2010-01-21 The question of the afterlife is for many today one of preference Christians trained to evangelize unsaved people with the query If you were to die today do you know where you would go heaven or hell have grown befuddled when met with the response I don't believe in heaven or hell Something in our culture has changed The ground has shifted beneath our feet We did not feel it But change has come just the same We must reacquaint modern Christians with the eschatologically driven preaching and teaching of Edwards This word eschatological may trip some readers up at first encounter but it refers simply to last things things of eternity and ultimate significance We exhume Edwards scripturally fired material on the reality of the afterlife the terror of hell the glories of heaven and the shape life must take in light of these realities If we accept the Word as our authority and if we will allow Edwards to serve as our faithful and imaginative guide we will find that God is alive He is Lord of heaven and earth the sovereign ruler of all Creation He is not small He can be found He is not silent on the afterlife and His testimony calls for our attention our concern and our whole hearted worship and trust Easily accessible and readable you do not need to be a scholar to enjoy these insights about Jonathan Edwards and his writings TRUE DISCIPLESHIP GARY

CRANDALL, 2018-02-01 True Discipleship is a fresh approach to the issue of discipleship Although evangelical Christians are fairly united as to the goal of discipleship Christ likeness there is a lack of clear direction as to how to get there **The Overcoming Life** D.L. Moody, 2010-05-13 D L Moody writes It is like this When a man enters the army he is a member of the army the moment he enlists he is just as much a member as a man who has been in the army ten or twenty years But enlisting is one thing and participating in a battle another Originally published in 1894 The Overcoming Life is one of those little books you just have to read It is quintessential D L Moody Its blunt edge drives hard at the ways in which Christians are overcome in this life spiritual warfare sin distraction etc and then gives ample assistance as to how we might begin to live a life in Christ that overcomes the things that once took hold of us
