The Ultimate Evidence Rethinking The Evidence Issues For Spirit Baptism:

The Ultimate Evidence Larry Vern Newman, 2009-01-01 It is quite an assertion to claim that one is filled with the Spirit of God What does a person offer as proof that this is actually true Pentecostals at the turn of the twentieth century read the Bible debated the issue and then proposed an evidence they thought the scriptures indicated was the primary verification of Spirit baptism It was determined that the evidence to prove one had been baptized with the Holy Spirit was that the person had spoken in an unknown language as prompted by the Holy Spirit The primary evidence of Spirit baptism it was concluded was the expression of a charism It was charismatic In *The Ultimate Evidence* Larry Newman argues that the initial evidence doctrine as it stands is inadequate and needs to be revisited and adjusted Without discrediting or devaluing speaking in tongues Newman points the reader to the ultimate evidence of Spirit baptism the more excellent way Gathering from historical cultural and biblical sources Dr Newman argues that the biblical evidential paradigm is ethical and issues forth from the agape of the Cross It is the ethical dimension of the Christian life that is primary In 1 Cor 13 1 Paul wrote If I speak in the tongues of men and of angels but have not love I am only a resounding gong or a clanging cymbal *The Pentecostal Paradox* G. J. Hocking, 2019-07-11 In 1906 a new religious phenomenon emerged from California Then just over sixty years later a million fold expansion occurred What was the catalyst for this explosion of growth The Pentecostal Paradox explores the history and rise of a new religious movement called the Pentecostals Drawing on eyewitness accounts newspaper articles of the day and other long forgotten sources author G J Hocking weaves together an accurate history of the movement to the present day Filled with fascinating stories the mailing lists of over 50 000 subscribers go missing a preacher hijacked the pulpit causing untold havoc a report of flames shooting fifty feet in the air The Pentecostal Paradox asks Were these events fact fiction or real phenomena In this timely work California the Charismatic Cradle features prominently as the author juxtaposes the rise of Pentecostalism with both the California gold rush and the San Francisco earthquake Eventually a God Rush occurred in 1906 as many rushed to Azusa Street Los Angeles How will this book shed light on this vast group What next for Pentecostalism These questions are answered in a candid and yet concise way in this much needed analysis of the Pentecostal movement *The Grand Humiliation* Larry Vern Newman, 2011-07-30 There was a war fought in the heavens between the Creator God and Lucifer That conflict the insurrection of Lucifer and one third of the angels was settled aeons ago and resulted in the defeat and expulsion of the angelic rebels from the heavenly realm and their confinement to the earth The earth has been their prison ever since Satan was free to go wherever he pleased but now he is banished to this planet until his folly is played out in the grand humiliation thereby revealing the lie that he has promulgated that the war has not been won that he is still warring with God and thus may win Mankind plays a central role in this grand humiliation and when it is finished there will be no doubt throughout the Cosmos that God reigns supreme **Rethinking the Trinity and Religious Pluralism** Keith E. Johnson, 2011-09-02 Founding his argument on a close reading of St Augustine s De Trinitate

Keith Johnson critiques four recent attempts to construct a pluralistic theology of religions out of the orthodox doctrine of the Trinity

John the Baptist and the Jewish Setting of Matthew Brian C. Dennert, 2015-09-11 Although recent discussions on Matthew have emphasized the document's setting within Judaism these studies have not analyzed how the Jewish figure of John the Baptist functions within this setting Brian Dennert steps into this gap arguing that Matthew presents Jesus to be the continuation and culmination of John's ministry in order to strengthen the claims of Matthew's group and to vilify the opponents of his group By doing this he encourages Jews yet to align with Matthew's group particularly those who esteem the Baptist and to gravitate away from its opponents The author examines texts roughly contemporaneous with Matthew which reveal respect given to John the Baptist at the time of Matthew's composition The examination of Matthew shows that the first Evangelist more closely connects the Baptist to Jesus while highlighting his rejection by Jewish authorities

Christians as a Religious Minority in a Multicultural City Jürgen Zangenberg, Michael Labahn, 2004-12-10 Imperial Rome truly was one of the most multicultural cities in antiquity Syrians Africans Gauls Egyptians Jews and other groups flocked into the city and formed their communities as well as Christians The essays here examine questions such as How did these ethnic and religious minority groups maintain and develop their identity How did the cultural majority react towards these sometimes exotic groups The first section gives a general survey about living conditions in early Christian Rome and how Christians Jews and Egyptians related to their urban context The second part focuses on the interaction between majorities and minorities in the early Christian community of Rome on the basis of New Testament texts and traditions The third and final part follows the development of the post New Testament Christian community into the second and third centuries

Post-Christendom Stuart Murray, 2018-01-10 Western societies are experiencing a series of disorientating culture shifts Uncertain where we are heading observers use post words to signal that familiar landmarks are disappearing but we cannot yet discern the shape of what is emerging One of the most significant shifts post Christendom raises many questions about the mission and role of the church in this strange new world What does it mean to be one of many minorities in a culture that the church no longer dominates How do followers of Jesus engage in mission from the margins What do we bring with us as precious resources from the fading Christendom era and what do we lay down as baggage that will weigh us down on our journey into post Christendom Post Christendom identifies the challenges and opportunities of this unsettling but exciting time Stuart Murray presents an overview of the formation and development of the Christendom system examines the legacies this has left and highlights the questions that the Christian community needs to consider in this period of cultural transition
