The Uncivil University Intolerance On College Campuses:

The Uncivil University Gary A. Tobin, Aryeh Kaufmann Weinberg, Jenna Ferer, 2009-05-16 In the name of academic freedom the core values of higher education honest scholarship unbiased research and diversity of thought and person have been corrupted by an academy more interested in preserving its privileges than in protecting its own integrity The American university has lost its civility Nowhere is this loss more apparent than in the rise of anti-Semitism and anti Israelism on college campuses This book documents the alarming rise in bigotry and bullying in the academy using a range of evidence from first hand accounts of intimidation of students by anti Israel professors to anti-Semitic articles in student newspapers and marginalization of pro Israel scholars The Uncivil University exposes the unspoken world of double standards bureaucratic paralysis and abdication of leadership that not only allows but often supports a vocal minority of extremists on campus

The Betrayal of the Humanities Bernard M. Levinson, Robert P. Ericksen, 2022-09-06 How did the academy react to the rise dominance and ultimate fall of Germany's Third Reich Did German professors of the humanities have to tell themselves lies about their regime's activities or its victims to sleep at night Did they endorse the regime Or did they look the other way whether out of deliberate denial or out of fear for their own personal safety The Betrayal of the Humanities The University during the Third Reich is a collection of groundbreaking essays that shed light on this previously overlooked piece of history The Betrayal of the Humanities accepts the regrettable news that academics and intellectuals in Nazi Germany betrayed the humanities and explores what went wrong what occurred at the universities and what happened to the major disciplines of the humanities under National Socialism The Betrayal of the Humanities details not only how individual scholars particular departments and even entire universities collaborated with the Nazi regime but also examines the legacy of this era on higher education in Germany In particular it looks at the peculiar position of many German scholars in the post war world having to defend their own work or the work of their mentors while simultaneously not appearing to accept Nazism

Antisemitism in North America Steven K. Baum, Neil J. Kressel, Florette Cohen, Steven Leonard Jacobs, 2016-01-27 In Antisemitism in North America the editors have brought together an impressive array of scholars from

diverse disciplines and political orientations to assess the condition of the Jews in the United States Canada Mexico and the Caribbean The contributors do not always agree with each other but they offer perspectives of why the Jewish experience in North America has neither been free from antisemitism nor ever so unwelcoming and dangerous as the countries from which they came Contributors examine antisemitism in culture politics religion law and higher education The Closing of the Liberal Mind Kim R. Holmes,2017-12-12 A former U S Assistant Secretary of State and currently Acting Senior Vice President for Research at The Heritage Foundation Kim R Holmes surveys the state of liberalism in America today and finds that it is becoming its opposite illiberalism abandoning the precepts of open mindedness and respect for individual rights liberties and the rule of law upon which the country was founded and becoming instead an intolerant rigidly dogmatic ideology that abhors dissent and stifles free speech Tracing the new illiberalism historically to the radical Enlightenment a movement that rejected the classic liberal ideas of the moderate Enlightenment that were prominent in the American Founding Holmes argues that today s liberalism has forsaken its American roots incorporating instead the authoritarian anti clerical and anti capitalist prejudices of the radical and largely European Left The result is a closing of the American liberal mind Where once freedom of speech and expression were sacrosanct today liberalism employs speech codes trigger warnings boycotts and shaming rituals to stifle freedom of thought expression and action It is no longer appropriate to call it liberalism at all but illiberalism a set of ideas in politics government and popular culture that increasingly reflects authoritarian and even anti democratic values and which is devising new strategies of exclusiveness to eliminate certain ideas and people from the political process Although illiberalism has always been a temptation for American liberals lurking in the radical fringes of the Left it is today the dominant ideology of progressive liberal circles This makes it a new danger not only to the once venerable tradition of liberalism but to the American nation itself which needs a viable liberal tradition that pursues social and economic equality while respecting individual liberties Critical Theories of Anti-Semitism Jonathan Judaken,2024-06-04 Despite its persistence and viciousness anti-Semitism remains undertheorized in comparison with other forms of racism and discrimination How should anti-Semitism be defined What are its underlying causes Why do anti-Semites target Jews In what ways has Judeophobia changed over time What are the continuities and disconnects between medieval anti-Judaism and the Holocaust How does criticism of the state of Israel relate to anti-Semitism And how can social theory illuminate the upsurge in attacks on Jews today Considering these questions and many more this book is at once a philosophical reflection on key problems in the analysis of anti-Semitism and a history of its leading theories and theorists Jonathan Judaken explores the methodological and conceptual issues that have vexed the study of Judeophobia and calls for a reconsideration of the definitions categories and narratives that underpin overarching explanations He traces how a range of thinkers have wrestled with these challenges examining the theories of Jean Paul Sartre the Frankfurt School Hannah Arendt and Jean Fran ois Lyotard alongside the works of sociologists Talcott Parsons and Zygmunt Bauman and historians Leon Poliakov and

George Mosse Judaken argues against claims about the uniqueness of Judeophobia demonstrating how it is entangled with other racisms Islamophobia Negrophobia and xenophobia Critical Theories of Anti-Semitism not only urges readers to question how they think about Judeophobia but also draws them into conversation with a range of leading thinkers whose insights are sorely needed in this perilous moment

Teaching Israel Studies Amelia Rosenberg Weinreb, 2022-12-13 This book presents pedagogical strategies for today's diverse Israel Studies classrooms It offers Israel specific innovations for online teaching tested methods for organizing global virtual exchanges that uplift marginalized voices in Israel including Palestinian voices and an intellectual and political overview of the field Informed by the author's experiences in the classroom and principles shared with her by fellow instructors the book provides a guide to developing an Israel Studies syllabus or integrating Israel Studies units into an existing curriculum

Affective Labour James M. Thomas, Jennifer G. Correa, 2015-12-11 Affective Labour explores four distinct landscapes in order to demonstrate how collective feelings are organized by social actors in order to both reproduce and contest hegemony Utilizing a variety of methods including participant observation in depth interviews across field sites and content analysis of mass media Correa and Thomas demonstrate the centrality of affective labor in enabling and constraining prevailing norms and practices of race citizenship class gender and sexuality across multiple spatial contexts the U S Mexico border urban nightlife districts American college campuses and emergent social movements against the police state The book demonstrates how the power of affective labour might be harnessed for progressively oriented world building projects including what the authors term an affective labour from below By tying an analysis of affective labour into movements for social justice the authors aim to produce a critical theory of the world that can be practically applied

The Publishers Weekly, 2009

America's Uncivil Wars Mark H. Lytle, 2006-02-10 America's Uncivil Wars explores the social cultural issues that preoccupied America in the years 1954-1974

Uncivil Rites Steven Salaita, 2015-10-12 In the summer of 2014 renowned American Indian studies professor Steven Salaita had his appointment to a tenured professorship revoked by the board of trustees of the University of Illinois at Urbana Champaign Salaita's employment was terminated in response to his public tweets criticizing the Israeli government's summer assault on Gaza Salaita's firing generated a huge public outcry with thousands petitioning for his reinstatement and more than five thousand scholars pledging to boycott UIUC His case raises important questions about academic freedom free speech on campus and the movement for justice in Palestine In this book Salaita combines personal reflection and political critique to shed new light on his controversial termination He situates his case at the intersection of important issues that affect both higher education and social justice activism

We Did What?! Timothy B. Jay, 2016-11-28 This provocative guide profiles behaviors considered shocking throughout American history revealing the extent of changing social mores and cultural perceptions of appropriate conduct since the Colonial period The notion of what is offensive has evolved over time But what factors dictate decorum and why does it change This fascinating work delves into the history of inappropriate

behavior in the United States providing an in depth look at what has been considered improper conduct throughout American history and how it came to be deemed as such The detailed narrative considers the impact of religion sexuality popular culture technology and politics on social graces and it features more than 150 entries on topics considered taboo in American cultural history Organized alphabetically topics include abortion body odors cannibalism and voyeurism as well as modern day examples like dumpster diving breast feeding in public and trolling Each entry defines the behavior in question provides an historical outline of the offensive behavior and discusses its current status in American culture Throughout the book clear connections between offenses and social values illustrate the symbiotic relationship between popular opinion and acceptable behaviors of the time *Social Issues in America* James Ciment,2015-03-04 More than 150 key social issues confronting the United States today are covered in this eight volume set from abortion and adoption to capital punishment and corporate crime from obesity and organized crime to sweatshops and xenophobia *Uncivil Wars* David Horowitz,2003-04 In this well researched and carefully argued book Horowitz traces the origins of the reparations movement and its implications for American education and culture *Synthesis* ,1995 *Youth, Education, and Islamic Radicalism* Mun'im Sirry,2024-03-15 Youth Education and Islamic Radicalism offers groundbreaking analysis of religious intolerance and radicalization among high school and university students in modern day Indonesia Indonesia is one of the most diverse countries in the world in terms of religion ethnicity and socioeconomic status but also in the complexity of its education system Youth Education and Islamic Radicalism examines the roots of religious intolerance among young Indonesians and explores the various ways in which educated youth navigate radical ideologies amid growing religious conservatism The book presents nuanced explanations as to why one person becomes radicalized while another does not calling into question the common assumption that religious radicalism is directly connected to terrorism It problematizes the notion that the university is a significant hub trigger or birthplace of radicalization by asking What makes education attractive for extremist recruitment What shapes students views Under what circumstances do radicalization and deradicalization processes of educated youth take place Youth Education and Islamic Radicalism identifies a constellation of factors that shape young people s views of religious diversity in Indonesia demonstrating the ways in which they become radicalized in the first place and how in some cases they deradicalize themselves **Civility in Politics and Education** Deborah Mower,Wade L. Robison,2013-03-01 This book examines the concept of civility and the conditions of civil disagreement in politics and education Although many assume that civility is merely polite behavior it functions to aid rational discourse Building on this basic assumption the book offers multiple accounts of civility and its contribution to citizenship deliberative democracy and education from Eastern and Western as well as classic and modern perspectives Given that civility is essential to all aspects of public life it is important to address how civility may be taught While much of the book is theoretical contributors also apply theory to practice offering concrete methods for teaching civility at the high school and collegiate levels *Creating & Sustaining Civility in Nursing*

The Uncivil University Intolerance On College Campuses Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Uncivil University Intolerance On College Campuses has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Uncivil University Intolerance On College Campuses has opened up a world of possibilities. Downloading The Uncivil University Intolerance On College Campuses provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Uncivil University Intolerance On College Campuses has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Uncivil University Intolerance On College Campuses. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Uncivil University Intolerance On College Campuses. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Uncivil University Intolerance On College Campuses, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Uncivil University Intolerance On College Campuses has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
