Trick R Treat Tales Of Mayhem Mystery And Mischief:

Trick 'r Treat John Griffin, Michael Dougherty, 2008-09-02 Trick r Treat delves into the four stories that make up the feature film Trick r Treat releasing in October 2007 It reflects Dougherty s personal take on the filmmaking process details how the ideas and art came together and presents it with exclusive special features in a unique format The genre encompasses drama horror thriller mixed with a good dose of twisted humor Set in a small suburban town Trick r Treat explores Halloween traditions while following a group of people trying to survive the most terrifying night of the year From a serial killer who specializes in poisoning candy to a group of mischievous kids who unearth their town s dark secret to a young woman hunted by masked stalker at the local festival to a cantankerous old hermit confronted by a demonic trick or treater the film is filled with horrifying surprises nervous laughs and strange creatures of every variety human or otherwise The atmosphere Dougherty creates on film mirrors the flavor of his art whimsical yet eerie It seems welcoming from a distance but the closer you look the more you see the twisted dark side of Dougherty s mind Dougherty s third grade teacher once remarked on a report card that his behavior exhibited early evidence of what may be an extraordinary morbid ingenuity Years later his drawings and doodles of the youthful eerily pumpkin headed character Sam a kind of ghost of Halloweens past along with a number of other creepy unforgettable characters have made it to the big screen There Dougherty s art and storytelling promise to take a fresh twist At the launch of his career he s already got a loyal following eagerly awaiting his next spooky project
