Understanding Generalist Practice With Families Marital Couple And Family Counseling:

Understanding Generalist Practice with Families Grafton H. Hull, 2006 Hull and Mather's book introduces students to the professional abilities needed when working with families Using a generalist perspective the book builds on the knowledge and skills students have acquired in other courses and provides keen insight on the specific theories and skills associated with family systems and family practice The SAGE Encyclopedia of Marriage, Family, and Couples Counseling Jon Carlson, Shannon B. Dermer, 2016-10-11 The SAGE Encyclopedia of Marriage Family and Couples Counseling is a new all encompassing landmark work for researchers seeking to broaden their knowledge of this vast and diffuse field Marriage and family counseling programs are established at institutions worldwide yet there is no current work focused specifically on family therapy While other works have discussed various methodologies cases niche aspects of the field and some broader views of counseling in general this authoritative Encyclopedia provides readers with a fully comprehensive and accessible reference to aid in understanding the full scope and diversity of theories approaches and techniques and how they address various life events within the unique dynamics of families couples and related interpersonal relationships Key topics include Assessment Communication Coping Diversity Interventions and Techniques Life Events Transitions Sexuality Work Life Issues and more Key features include More than 500 signed articles written by key figures in the field span four comprehensive volumes Front matter includes a Reader's Guide that groups related entries thematically Back matter includes a history of the development of the field a Resource Guide to key associations websites and journals a selected Bibliography of classic publications and a detailed Index All entries conclude with Further Readings and Cross References to related entries to aid the reader in their research journey **Family Therapy** Janice M. Rasheed, Mikal Nazir Rasheed, Mikal N. Rasheed, James A. Marley, 2011 This text offers a straightforward comprehensive overview of both traditional and evolving theoretical models of family therapy and intervention techniques as well as a discussion of clinical issues unique to family therapy practice Aiming to prepare students to develop beginning proficiency in family therapy the authors outline major family therapy models in detail including a step by step description of concepts theories skills and techniques as well as a history of each model and its conceptual and theoretical underpinnings The text also provides extensive case illustrations of family interviews that identify the specific stages clinical issues concepts theories and techniques associated with each model This core text is designed for graduate level courses such as Family Therapy Marriage and Family Therapy Marriage and Family Counseling Family Systems Theory and Family Counseling in departments of social work psychology nursing education or human services *Encyclopedia of Social Work*, 1965 **Marriage and Family Therapy** Linda Metcalf, 2011-06-23 Print CourseSmart **Instructor's Edition for Understanding Generalist Practice** Kirst-Ashman, 2001-07 101 Social Work Clinical Techniques Francis J. Turner, William Rowe, 2013-05-08 The purpose of the book is to enhance the concept of Technique in the teaching and practice of Social Work Over the years Technique has

not been stressed as a part of practice even though the actual practice of Social Work consists of the utilization of techniques in addition to theory and the process of assessment and diagnosis The book seeks to achieve its goal in four ways It addresses the way the concept of Technique has or has not been used over the years It addresses the need for a clear definition of technique It analysis the qualities that Technique should have at this point in our history of clinical practice It then formulates and presents a definition of technique for our thesis based on this definition It then presents a brief discussion of 101 Techniques discussed in contemporary literature by discussing each one s place in practice a bit about its history and necessary knowledge skills to use responsibly It addresses the latter by grouping a level of risk involved in its utilization
